

# OVER BILLION ASKED IN NEW U. S. TAXES

## PRESIDENT SEES NEED FOR BONUS, AAA TAX MONEY

Inflationists Begin Drive for Patman and Frazier-Lemke Measures

### NEW PROGRAM OUTLINED

Estimate of Need Higher Than Expected; \$1,137,000,000 Exact Figure

WASHINGTON, Feb. 28.—(UP)—President Roosevelt today estimated the total of the newly recommended administration tax bill at \$1,137,000,000.

The president's estimate was substantially higher than any previous estimates, but included the amount of impounded AAA processing taxes which Supreme Court ordered returned and which he indicated the government would seek to recover.

As the first official word on the tax program came, inflationists and Republican senate leaders already had launched an attack on the administration program.

### Inflationists Busy

The inflationists indicated that they would carry on a fight to the finish against any attempt to impose new taxes for bonus purposes, using both the Patman bonus inflation bill and the Frazier-Lemke \$3,000,000,000 farm inflation measure as their weapons.

President Roosevelt outlined the tax program he wants enacted this session as follows:

A sum of \$120,000,000 a year in new taxes to carry the additional charges involved in immediate bonus payment above the \$160,000,000 budget provision which was estimated on a basis of payment in 1945.

\$500,000,000 in substitute AAA taxes.

A temporary tax over a one, two, or three year period to recover the \$500,000,000 lost by the treasury this year in progressing levies as the result of the Supreme court decision outlawing the AAA.

## COLUMBUS CUTS SAFETY SQUADS

Inhalator, Salvage Crews Eliminated for Economy

COLUMBUS, Feb. 28.—(UP)—Elimination of the inhalator and salvage squads from the Columbus Fire department and reduction of radio cruisers in the police department from 12 to 6 was ordered here today, as Mayor Myron Gessman continued reductions in the public service departments designed to balance the city's budget.

A previous order instructed closing of 11 out of 19 fire engine houses.

All reductions are effective Sunday.

### CHILLICOTHE MAY DROP FIREMEN OFF PAYROLL

CHILLICOTHE, Feb. 28.—Under an economy plan being considered by Mayor James Ford, No. 2 fire station on N. High-st. would be abandoned and four firemen dropped from the payroll. The move would save the city about \$6,300 a year in salaries. The mayor contends a survey of the last four years revealed only 10 per cent of all calls are in the district.

### MIAMI RESORT HOTEL ROBBED BY BANDITS

MIAMI BEACH, Fla., Feb. 28.—(UP)—Bandits held up the ocean-front hotel today and escaped with safety deposit boxes believed to contain several thousand dollars in cash.

Neither the hotel nor police would reveal details of the robbery pending an investigation.

CHARGING that he made love to her for years and then jilted her, Miss Alice Piper, a white registered nurse of Des Moines, Ia., has brought suit against Dr. J. Alvin Jefferson, a Negro physician.

## GUARD AVERTS PRISON ESCAPE

Three Men, Headed By Filkowski, Return Behind Walls

COLUMBUS, Feb. 28.—(UP)—

Three Ohio penitentiary convicts who attempted to escape rushed back into the prison yard today when Guard August Light fired one shot at them. None was injured.

The three convicts are John Davis, Cleveland, serving life for murder; Edmund Paulinski, Lucasco, serving 20 to 50 years for robbery; and Joe Filkowski, Cleveland, serving life for murder.

The men, armed with a wood gun and serving knives, got through the inner gate and were attempting to get through the outer gate when Guard Light saw them. He fired just one shot—and the three convicts rushed back into the prison yard.

They had attempted to flee as a truck was entering the prison grounds.

Guard Sherman H. Livingston, 60, was attacked and his head bruised by prisoners as he was attempting to close the inner gate.

## ROSS-CO FOREST LAND SOLD U. S.; COUNTY IS AIDED

Four Pickaway-co boards of education received \$5.25 an acre for the 160 acres of school land they owned in Colerain-twp, Ross-co, sold Thursday to the government for the Ross-Hocking forest and recreation development project.

The 160 acres were included in 1760 acres sold for \$9,240. Since granted to the state in 1803 the land has been known as a "squatters' paradise" and the local boards received no revenue. It was located in which is known as the Slickaway and Tar Hollow districts and has been the scene of much moonshining operation and many liquor raids. It was appraised at \$8,720 and described as "unimproved." Work has already been started on the land to carry out the program of reforestation.

Proceeds of the sale of the school board's "farm" will go into a special school fund from which the school districts receive the interest.

Under the old school and ministerial land grants, the land was given to a quarter section of Circleville-twp which involves the Circleville-twp and corporation school districts, Jackson-twp school district and Pickaway-twp school district.

A poll of residents in the old quarter-sections was made by the boards to approve the sale.

## LANDON FAVORED IN POLL OF OHIO PARTY LEADERS

More Than Half of Votes Cast Favor Kansan for Nomination

### T A F T FAVORITE SON

Landon, Knox, Vandenberg, Dickinson Remain Out of State Contest

COLUMBUS, Feb. 28.—(UP)—

Echoes of the state Republican organization's war cry reverberated today as the battle for Ohio delegates to the Republican national convention at Cleveland next June began in earnest.

Opposing forces in the preliminary events leading to the Ohio presidential primary, May 12, were Senator William E. Borah of Idaho, who several weeks ago announced his candidacy in Ohio for the presidential nomination, and the state central committee, bitterly opposed to Borah.

The central committee, working speedily, announced late yesterday it would retain its previously announced "favorite son" plan. Robert A. Taft of Cincinnati, son of the late President William H. Taft, was chosen as the "favorite son."

### Frederickson Second

The second choice of the Ohio organization is Charles Frederickson of Coshocton, former state Republican chairman.

State capital political experts were uncertain which of the major Republican candidates would be most likely to receive the organization's support. Results of a poll conducted by the state central committee showed strong sentiment for Governor Alf M. Landon of Kansas.

The vote cast in the poll was 8964. Governor Landon received 5041 votes, or 56.3 per cent; Senator Borah, received 1868, or 20.8 per cent; Frank Knox, Chicago publisher, 1182; Herbert Hoover, 369; Senator Arthur H. Vandenberg.

Collection of the belated December taxes started Wednesday.

## RAILROAD FARE SLASH ORDERED

Commerce Commission Cuts Price to Two Cents Mile

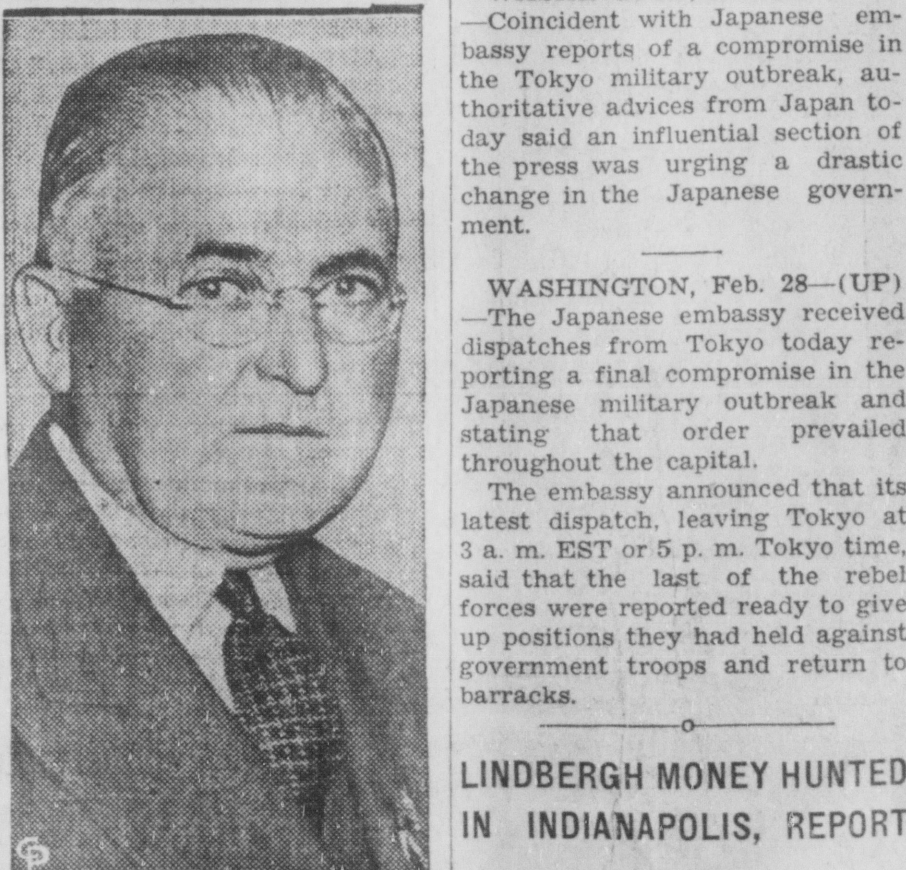

WASHINGTON, Feb. 28.—(UP)—The Interstate Commerce Commission today ordered American railroads to charge passengers two cents per mile fares in coaches and three cents for Pullman transportation.

After an investigation, of nearly two years, the commission found that present standard fares of 3.6 cents were unreasonable and ordered the Pullman surcharge eliminated.

The commission allowed the railroads to continue charging extra fares on their superservice trains.

"Since 1923 the railroads of the country have been suffering severe losses in passenger traffic and revenues," the commission said in explaining the reason for its order.

## SCIOTO FALLING AFTER REACHING 18.6-FOOT MARK

Four Inch Drop Reported During Morning; Highway Remains Blocked

### ROUTE 104 NOW OPEN

Northern Ohio Feeling Brunt of Floods; Several Towns in Trouble

By UNITED PRESS  
Flood dangers in Ohio will pass within the next 48 hours unless the state receives more rain. W. H. Alexander, state meteorologist, predicted today.

Alexander said the general outlook was optimistic for a general flood threat and that unless there was a sudden change in atmospheric conditions the situation would approach normal by early next week.

Routes 22 and 56, west, were still closed to traffic Friday because of flood waters, but observers reported the Scioto river had receded four inches from 7 a. m. until noon and that the highways would probably be open before Sunday.

Route 104, the Jackson-pk, was open with the water of Darby creek starting to return to its banks. The road was damaged by the high water, but is passable.

The Scioto climbed to the 18.6-foot stage early Friday, the highest it has reached since the ice jams north of the county were broken up.

### Detoured Through Fox

Traffic to the west on Route 22 is being detoured through Fox post office and south on Route 104.

Warmer weather is predicted for the week-end.

CHICAGO, Feb. 28.—(UP)—Turbulent streams bounced ice blocks over lowlands in Indiana, Ohio and Kansas today, forcing scores of families from their homes.

The flood menace was most severe in the Maumee and Chagrin river valleys in Ohio. More than 100 families were driven from their homes at Painesville, O., when the Chagrin poured over its banks.

Near Toledo, the Maumee marooned 30 families. Ice gorged in the river, threatening new floods.

### Mississippi Rising

Thaws loosened ice in the Missouri and Mississippi rivers and they were rising steadily. A dozen families in Kansas fled from inundated lowlands near the Missouri.

Fair weather with rising temperatures was forecast for most of the midwest today and tomorrow. Rivermen said the flood menace will decrease with a gradual thaw and no rain.

The Wabash river remained out of its banks below Bluffton, Ind. As tributary streams receded, huge ice cakes remained scattered over lowlands.

Motorists and schoolchildren marooned by deep snowdrifts near Sioux City, Ia., and Sioux Falls, S. D., were rescued by highway workers.

### 105 FILE PERSONAL TAX REPORTS WITH AUDITOR

Reports in the office of Forest Short, county auditor, Friday, showed only 105 persons have filled out their personal tax returns during the last year.

## WPA TO RESUME PAVING PROJECT

Good Weather Hoped for; Pay Increase to Start

Unless heavy rains descend on the city over the weekend, WPA workers hope to start repaving S. Court-st Monday or Tuesday. The work will start at Mill-st.

Workers were in the downtown district Friday afternoon removing rails between Watt-and Main-sts. Rails have been removed as far north as Northridge road.

All projects will be closed Saturday as workers have completed their forty-hour week. Friday marked the end of the two-week pay and beginning next week the workers will receive the 10 percent raise in wages.

## PEACE OFFERED IN AKRON STRIKE

McGrady Presents Plan for End of Trouble

AKRON, Feb. 28.—(UP)—A plan for settlement of the strike at the Goodyear Tire & Rubber Co. here was presented to the company management and strikers today by Edward F. McGrady, assistant secretary of labor.

McGrady said he would leave Akron tonight unless both sides approve his plan.

"I think the plan meets the situation adequately and, if accepted, will provide machinery to adjust disputes in the future," McGrady said.

### FORMER SHIP'S PURSER GIVES ABDUCTION CLUE

## CHIEF OF POLICE SHOT IN LEG AS REVOLVER FALLS

.32 Caliber Bullet Narrowly Misses Bone as Gun Slips from Holster

### SHASTEEN ACTING CHIEF

Accident Happens at McCrady Home as He Prepares to Help Watch Traffic

Police Chief William McCrady suffered a flesh wound in his left leg below the knee Thursday night at his home when his service pistol slipped from the holster, falling to the floor.

The officer had placed his flashlight, revolver and blackjack on a window sill in the dining room of his home. He planned to assist other officers in handling traffic on Pinkney-st about 8:45 p. m. and went to get his equipment.

### Struck on Hammer

After putting his blackjack in his pocket, he picked up the revolver and holster, and the gun slipped out dropping on the floor. It is believed it hit directly on the hammer.

The .32 calibre copper-coated bullet went through the officer's leg, just grazing the bone and tore a large hole in the wallpaper and plastering on the opposite side of the room.

### Rests Well at Home

Chief McCrady was taken to the office of Dr. E. S. Shane by his son, John, and Patrolman Carl Radcliff in the police cruiser, and then to his home. He was resting comfortably Friday morning but reported his leg "awfully sore."

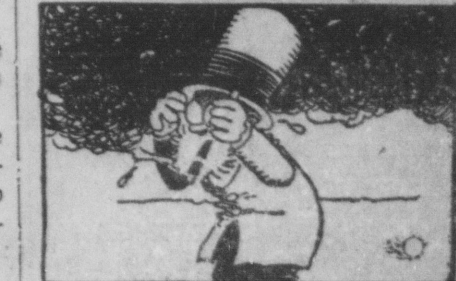

Patrolman Alva Shasteen was appointed acting chief during McCrady's absence.

## FOUR BOUND TO GRAND JURY FOR CHICKEN THEFTS

Four youths arrested Wednesday for the theft of 11 chickens from William Burris, New Holland, admitted charges of breaking and entering and theft Friday morning before H. O. Evland, justice of peace, and were bound to the grand jury under \$1,000 bond each.

The youths are: Floyd Woods, 20, Fayette-co near New Holland, John, 18 and William Kearns, 20, and Everett Yarger, 20, all of Perry-twp. They were unable to furnish bond.

HOFFMAN OPENS NEW ATTACK ON STATE EVIDENCE

Governor Hits Perrone; Hauptmann's Life in Balance as Officials Fight

TRENTON, N. J., Feb. 28 — (UP)—Bruno Richard Hauptmann's life was staked without camouflage today on a fight between Republican Governor Harold G. Hoffman and Democratic Attorney General David T. Wilentz.

The young governor, whose doubtfully legal reprieve was all that saved Hauptmann six weeks ago, urged his private investigators to new attacks on the veracity of state witnesses and the authenticity of state evidence against Hauptmann. They have 37 days at most in which to produce evidence startling enough to win Hauptmann a new trial. He is sentenced to die in the week of March 30.

Oddities in Nation's News

MISSING SWAN FOUND HUDSON, Feb. 27.—(UP)—"Necky," a swan captured in icy Lake Erie after her wings became coated with oil, is going back home thanks to a newspaper photographer. A front page picture of "Necky" was recognized by her owner, John Roski, who has a country estate near here. Roski said the swan disappeared several months ago.

SCIENTIFIC REPORT FAVORS BRAN

Read this statement, taken from an article in the Journal of the American Dietetic Association, pages 133-134, Nov., 1932:

"The inclusion in the diet of a small portion of bran . . . would seem a very practical way of getting fiber which is not likely to be disintegrated. This bran has the additional advantage of furnishing a considerable amount of vitamin B and of readily available iron."

Exhaustive tests, over a period of five years, have proved Kellogg's ALL-BRAN to be a safe, effective way to correct constipation due to insufficient "bulk" or fiber in meals. It is accepted by the American Medical Association Committee on Foods for this purpose.

You will enjoy this pleasant way to prevent the dangers of constipation. You can eat Kellogg's ALL-BRAN as a cereal with milk or cream. Or cook into delicious breads and muffins.

Usually two tablespoonfuls apiece daily are enough to protect your family from common constipation.\*

Serve ALL-BRAN regularly for regularity. Sold by all grocers. Made by Kellogg in Battle Creek.

CLAIM SELASSIE HURT IS DENIED BY ETHIOPIANS

Italian Troops Engaged in Offensive on Eritrean Frontier.

ADDIS ABABA, Feb. 28.—(UP)—The Ethiopian government wearily dismissed Djibouti reports that Emperor Haile Selassie had been wounded as "another Djibouti rumor" today.

The dispatches were published in Rome newspapers. Djibouti, in French Somaliland, terminus of the only railroad leading out of Ethiopia, long has been a rumor factory.

Dr. Hanner, the Emperor's personal physician, was in Addis Ababa today, not in Dessie with the emperor as the Rome dispatches said. He was last at Dessie two weeks ago.

ROME, Feb. 28.—(UP)—Italian troops were believed engaged in a big new offensive in northern Ethiopia today.

War Communiqué No. 138 said: "Marshal Badoglio telegraphs that since yesterday at dawn our troops on the Eritrean front have been in movement."

Military observers interpreted the communiqué as meaning the resumption of an advance toward Amba Alagi, the great mountain stronghold south of the present front, and points commanding caravan routes to the west of it.

Earlier dispatches from official sources at Asmara, capital of Italian Eritrea, said Italians were extending their positions west of the present front and occupied an important pass which dominated several caravan trails of the southern Tembien region.

MEDALS NOT PAID FOR

NEW YORK, Feb. 28.—(UP)—Dieges and Clust, jewelers, complained today that New York City ought not give gold medals to distinguished visitors unless it is willing to pay for them. Bills for medals given as much as five years ago to Amelia Earhart, Putnam, Wiley Post, Gen. Italo Balbo, and Capt. and Mrs. James A. Mollison, the jewelers said, have not been paid. The medals cost \$173.36 to produce. Dieges and Clust ask the city to pay \$185.

seasons to obtain the opinions of local sportsmen on subject before the league. The speaker urged sportsmen to elect representatives who would represent them.

Ed Rausenberger gave a brief description of the Chuchor partidge, the bird he hopes to introduce into Pickaway-co this spring to replace the Hungarian partidge. Local sportsmen hope to purchase 100 eggs and it was announced at the meeting the New Holland club expects to donate \$25 for eggs.

Mr. Atwood praised the organization for the close relationship it created between farmers and sportsmen and lauded it as one of the best clubs of its type in the state. "You men rub elbows with one another, creating a better fellowship and when both sides join forces you are sure to progress," he said.

Fred Harlowe, Newark, game commissioner for eleven counties, announced plans to propagate 2000 pheasants here this year. Arrangements are being made to have the eggs hatched locally and the chicks will be raised by sportsmen. Last year Mr. Harlowe was asked for 20,000 fish for restocking purposes and the total number received locally was 4,600. The state liberated 463 pheasants and 24 rabbits in this county in addition to the 144 rabbits and 14 coons released by the organization.

Mr. Harlowe urged sportsmen to

boost their club to other residents and urged them to purchase licenses from club members. Approximately 640 hunting licenses and 150 fishing licenses were purchased from club members in 1935. In Fairfield-co last year over 4,000 licenses were sold through the sportsmen's club and \$1,000 spent for wild life. Mr. Harlowe asked sportsmen to conduct a vigorous drive against vermin giving cats a prominent place on the vermin list.

Ralph May, Pickaway-co commissioner, asked sportsmen to urge other nearby counties to cooperate in placing a bounty on crows and hawks. Several months ago the local board voted to pay bounties but nearby counties flatly refused to cooperate in the movement.

Others introduced by the chairman were: Clarence Francis, conservation officer, and Officers Ed Eberst, Hocking-co; Clarence Hiller, Fairfield-co, and William Francis, Ross-co; Ralph Wood, local engineer, who has offered his services in locating dams for the WPA project sportsmen hope to obtain; and Virgil May, Dudley Briggs and Earl Hoffman, delegates to the League of Ohio Sportsmen meeting.

Arrangements are being made to have a question box located in the Betz restaurant. Questions will be sent to the state conservation department.

**THE NEW MAGIC BRAIN!** The sensation in radios! It is the main factor by which RCA Radios achieve higher standards in reception. It now utilizes three tubes instead of two. The R.F. Tube more efficiently guards the program you want, supercharging it for clarity and freedom from noise. Come in and let us tell you why the radio you should buy should be one of the New Magic Brain.

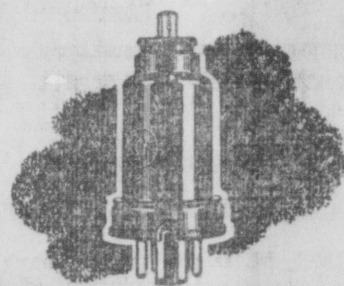

#### TRADE IN YOUR OLD RADIO HERE!

We will take your old radio in trade on a New RCA Victor. We are in a position to offer you a liberal allowance for your old set and we urge you to talk to us about this trade-in allowance, and see the new RCA before you decide on a new radio. Come in at your convenience.

New **RCA VICTOR**  
with Metal Tubes

The new RCA Metal Tubes in 1936 RCA Victor Radios are the greatest tube advance in 28 years!—And if your radio is really a modern, up-to-the-minute set, in step with the latest in science and invention, it must have Metal Tubes—"sealed in steel." They're quieter—they're perfectly self-shielding—they're uniform—and they produce better reception, especially of shortwave programs!

## WHAT

is the

## MAGIC EYE?

The Magic Eye is a Cathode Ray Tube which "sees" that your radio is properly tuned. Located above the dial it glows with a soft green light, actually caused by an electronic bombardment from a tiny "ray." A dark sector extending downward from the center narrows as you tune in stations, and—when it is narrowest—indicates that you are PERFECTLY tuned in for best reproduction. This is an exclusive RCA feature!

#### BUY YOUR NEW RCA RADIO ON EASY TERMS!

Think of it! Buying a new RCA Victor on EASY TERMS! But that is exactly what we will do—let you pay a small sum weekly after the usual low down payment has been made. Our store is the only one in the city offering these liberal terms on the purchase of a new RCA!

## TO BOARD OF EDUCATION

**MEMBERS:** The economical manner in which the Circleville schools have been operated through prosperity and depression is highly commendable, but economy can also be a detriment. A teacher, having the responsibility of training and guiding our children, should be paid a fair wage. I understand that in many cities where the population is much less than in our community much better salaries are paid educators. I am much in favor of economy wherever possible, but I believe a low wage scale for persons who have studied and spent much money to get where they are is false economy. Every school in the Pickaway-co system, I understand, is operating under the Traxler-Keifer foundation school program. Is there a good reason why Circleville schools should not take advantage of this program? There is one thing about the foundation bill that overshadows all its possible shortcomings: It guarantees a fair wage for teachers.

## TO CITY OFFICIALS

**FRIENDS:** I have often wondered what would result if a serious fire broke out on W. Main-st on a busy Saturday night? The vast amount of double parking on the street would prevent the fire trucks from reaching the blaze. Some remedy should be worked out for this problem. A time limit on parking might relieve the situation, or at least various plans could be tried out to find one which would successfully end the condition.

# WORLD AT A GLANCE

A campaign year is a bad time for a president of the United States to reorganize his cabinet. Nevertheless reports are current that President Roosevelt plans such a house-cleaning in the spring, and some of his advisers are said to be telling him that certain changes will improve his prospects, despite the fact that the juncture ordinarily would be inopportune for them to be made.

For one thing, the White House needs oratorical ability in the ranks of the holders of its portfolios and not many of the present incumbents shine as speakers. The department administrations of some of them have been pretty severely criticized, too.

## ROPER AND CUMMINGS

Secretary of Commerce Roper in particular has been mercilessly "panned" of late on account of a series of spectacular ocean disasters, which it is charged that his steamship inspection service, if efficient, should have prevented; also on account of several widely-advertised plane crashes, for which his aviation service is blamed.

Moreover, the commerce secretary, though a most likable individual personally and doubtless a wily political counselor, is no spell-binder.

Attorney General Cummings record equally is spoken of, and by Republicans, as having been a sad flop. Cummings, indeed, has claimed credit for suppressing a deal of kidnapping and miscellaneous racketeering, but it hardly can be asserted that he has not permitted some mighty important New Deal legislation to get past him, to be killed by the federal supreme court.

And he has no radio appeal, either.

## DERN AND SWANSON

Secretaries of War and the Navy Dern and Swanson have been as close to nonentities as a couple of cabinet members can be—though Swanson did create something of a sensation by slipping on a cake of soap, taking a tumble and breaking a rib in his bathroom.

Anyway, neither are they oratorical assets—either of them. As to Postmaster General Farley, it's the consensus that he has been the worst postmaster general since Walter Brown, his predecessor—and few postal patrons would have believed that Brown's administration could have been worse.

But Farley doesn't matter; he is air.

ten developed into a "booing" contest with a poor decision of an official, or a cheer by one crowd being greeted with cat calls from one section of the gallery or the other. In recent years sportsmanship has been fine; all sections of the gallery have approved good officiating, and likewise have cheered good plays even by opponents. This is as it should be.

CIRCUITEER

## TO OHIO SENATORS

**SIRS:** Why do other Ohio counties receive huge flood control projects while Pickaway-co's annual flood menace is forgotten? Thousands of acres of land are flooded annually. Last year flood waters caused heavy damage in the lowlands to a fine corn crop. Engineers say straightening and deepening the river channel would relieve a large part of the danger. At present the river is shallow and the channel is filled with fallen trees and debris. Some action should be taken to clear the stream.

CIRCUITEER

## TO SCHOOL MASTERS

**FOLK:** Many of you recall with fond memories spelling bees you have conducted or in which you have taken part. There is no entertainment quite so enjoyable to me as an old-fashioned spelling bee. Pickaway-co has many fine spellers and such an event, made county-wide with prizes to the winners, would provide much of educational value to all who attended, or took part. It would be a splendid project for a Parent-Teachers association, a 4-H club, or some other group to undertake.

## COUNCIL COMMITTEE, DIRECTOR

**DEAR SIRS:** Should trucks be allowed to endanger lives and property of citizens because of the way they park in Circleville streets. I believe you should do something in regard to the parking of these trucks. I do not refer to the ordinary length car, but the long freight trucks. They park head in to the curb and the rear ends of the vehicles extend almost to the center of the street, providing a danger for passing autos.

## TO CIRCLEVILLE RESIDENTS

**CITIZENS:** Between trips to the basement to shovel coal in the furnace, study plans for the improvement of your homes and lawns this spring. Minor changes often make great improvements. Circleville holds the honor of being a beautiful small city and it is up to its residents to keep it that way.

## READ THIS FIRST:

A few days after attractive Thora Dahl accepts a position as housekeeper in the home of Selwyn Marsh, Marsh's daughter, Wilma, arrives and seems to resent her presence. Thora meets Sherman Gordon, a friend of Wilma and her father, and Dottie Steele, a designing widow who lives nearby. Mrs. Steele also objects to Thora's presence in the Marsh home. As she rides one morning, Thora finds Sherman Gordon waiting for her on horseback. He offers to show her the countryside. Gordon tells Thora she has made a most favorable impression on Marsh, her employer. After overhearing sharp words between Marsh and his daughter, Thora pleads with him not to send Wilma away, as he has threatened to do, because she intends to marry a foreigner she met while traveling.

(NOW GO ON WITH THE STORY)

## CHAPTER 24

"YOU ARE wrong," Thora insisted steadily when her employer announced he intended to disinherit his daughter. "You are the one who doesn't know what he is doing. You can't!"

There was a ring in her clear voice that held Selwyn Marsh speechless for an instant. His eyes narrowed. Who was this blue-eyed girl, to stand there and tell him what he could do... what he couldn't do?

"And why not, pray?" was his sarcastic suggestion.

"Because it is a very dreadful thing to do," her gaze met his unflinchingly. "I know."

"Yes, I do. I... I can't go to my father's home. Not even to see my mother. He won't let me."

"My dear girl..." Marsh twisted uneasily in his chair. "I didn't know..."

"No, you didn't," Thora helped, in her calm tones. "You were good enough not to ask me anything when I came here. Perhaps I should have told you. I don't know. I wanted this place badly. But, now, I must try to make you understand that you can't do this thing..." to your girl."

"Now, now..." Miss Dahl.

"No, I will tell you. I must. There isn't much. It began years ago. There was a boy who lived on the farm next to my father's. His name was... it was Eric. We grew up together, like a brother and a sister. Eric was quite a genius, for a boy. His mother had a hard time to make her place pay, even to get a living. Eric helped all he could, and he spent his spare time in a little shop he had in one of the sheds. I used to watch him. He had great dreams..."

Thora's voice trailed away, as she recalled the dreams. Marsh watched her in silence. Her blue eyes were fixed on the window, but he knew instinctively that she was seeing something a great way off. He restrained his natural desire to interrupt. Waited.

"Eric's mother died when he was 18," Thora resumed, after a moment. "Their place was mortgaged, and he couldn't keep it. He didn't want to, anyway. He wanted to get away, where there were factories and shops. He told me... I was the only one who ever understood."

"You mean that you were in love with him," Marsh accused gruffly.

Thora's eyes left the window and sought his. There was a perplexed expression in their blue depths.

"No..." she decided thoughtfully. "I don't believe so. We never talked about things like that. Eric went away... to Minneapolis. He had several jobs, but he never came back."

"I found Eric in a hospital," Thora

There was a ring in her voice that held him speechless.

suited him. Finally, he came east and found a place in a steel mill. He liked that. He used to write me all about it, how well he was doing. That was after I started teaching school."

"I didn't hear anything for quite a long time, once. Then he wrote me that he had lost his savings. He had invested everything in a small shop, with a partner. The man wasn't honest and Eric lost his money. He went back to the mill. And then..."

"Then?"

"There was a telegram came to me at the school... Just before Christmas holidays. It was from a friend of Eric. It said that Eric had been hurt. He was burned in an accident. He wanted me."

"So?"

"Why, I had to go to him," Thora said it quietly, but defensively. As if his hearer suspected there could be any other possible solution. "I had to go. Eric had no people and he wanted me. I called up my supervisor and told him he would have to get a substitute. Then I went to the bank and drew out all my money..."

... that was the next morning... and took the first train."

"You mean you didn't tell your folks?"

"No, my father never liked Eric. He never liked any man that wouldn't rather work in the fields from sunrise to dark than do anything else. He thought Eric was lazy. Nothing could ever change his opinion. He is like that. I knew that my mother would understand and want me to go. But it would have meant only trouble for her. I thought the best thing to do was go then write. So I did."

"And your father?"

"I suppose if I had married Eric, father would have gotten over it in time. He sent word to me through mother that I was never to come home again. He'll never change. He thinks I'm... bad."

Marsh started to say something. Instead, he grunted.

"I found Eric in a hospital," Thora

resumed. "He was badly burned; his face was the worst. And his eyes..."

"Not blind?"

"No, his sight wasn't gone. But the doctors told me he never would be able to see well. Eric was in the hospital for weeks. The company paid his expenses there. When he was able to leave, I took him back to the place where he had been living and rented a little room next to his, so that I could take care of him."

"Then he recovered?"

"Thora shook her head slowly. "I think it was his pride... You know. He felt that he never would be able to do the things he had planned. And he worried about me..."

"I didn't realize that at first. After a few months, I was worried myself. I knew that I would have to find something to do to take care of expenses before so very long. But Eric was so frail that I didn't see how I could leave him alone. And then..."

"What?"

"One day..." Thora's voice sank so low that Marsh barely heard the simple account. "I had gone to the drug store. When I came back there was a little crowd... Eric didn't want to get well."

There was a deep silence in the library following those halting words. Pfeffermann, who was curled up on the rug near Marsh's chair, raised his head inquiringly, stared at the man and girl, wagged his tail aimlessly, then composed himself to sleep once more.

Selwyn scowled before he inquired abruptly:

"And you still want me to think you weren't in love with that chap, Miss Dahl? That you were only..."

"Friends?"

"Just friends. He needed me. There was nothing else to do," Marsh repeated gruffly. "I thought that brand of friendship had gone out of style long ago. Let's hear the rest of your story."

"That is all," Thora said with quiet finality.

## HOW MANY AT HEARTS?

MR. RONALD S. BUSKIRK, Cambridge, Mass., sends in the following interesting hand. He sat North and was pushed up into 6-Hearts, doubled by West. How many tricks should he make? The opening lead was the 6 of spades.

♠ K 5 3  
♥ J 8 6 4 3 2  
♦ 6 4  
♣ 6 3  
♠ Q 8 2  
♥ Q 10 9  
♦ J 10 5 3  
♣ J 9 8  
♠ J 9 7 6  
♥ 7 5  
♦ 9 8 7  
♣ 7 5 4 2  
♠ A 10 4  
♥ A K  
♦ A K Q  
♣ A Q J 10

to declarer's relief. Even at that the situation did not look any too favorable to North, as he states in his letter.

Dummy ran off 3 top diamond honors, on the last of which declarer let go his small spade. The 2 of diamonds was led and ruffed by declarer, giving him 7 straight tricks. The 6 cards left in each hand were as shown below.

♠ 5  
♥ J 8 6  
♦ 6 3  
♣ 6 3  
♠ Q 2  
♥ A 10  
♦ A 10  
♣ A Q J 10

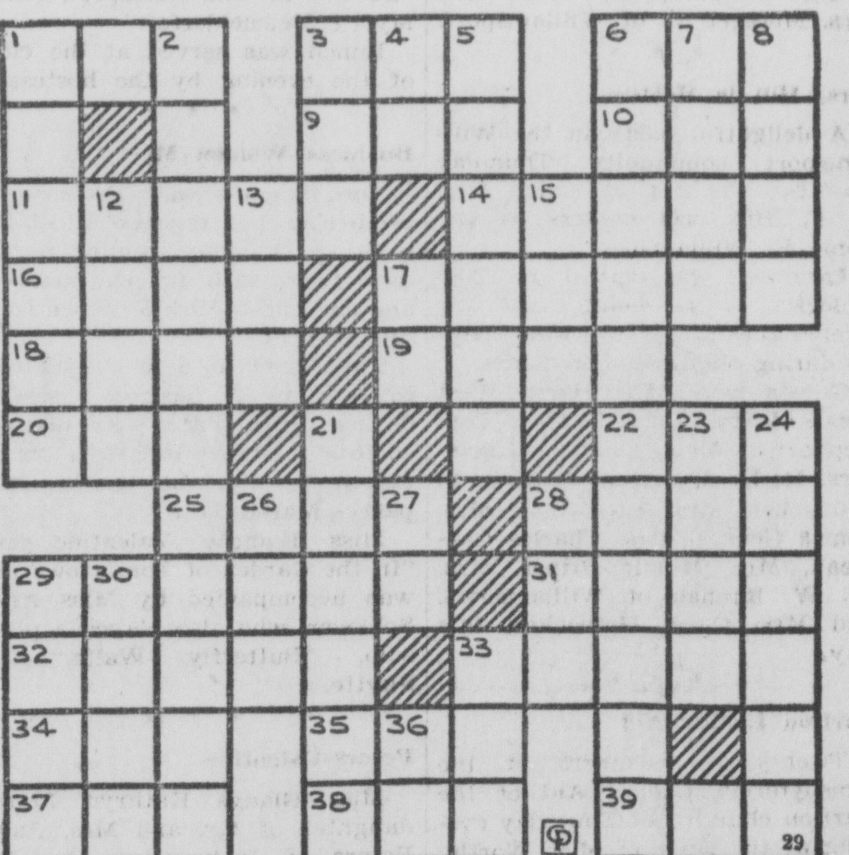

Bidding went: South, 2-Diamonds; North, 2-No Trumps, to deny holding as much as one quick trick; South, 3-Clubs; North, 3-Hearts; South, 3-No Trumps; North, 4-Hearts; South, 4-No Trumps; North, 6-Hearts; South, 6-Hearts, which West doubled.

The opening lead was the fourth-best spade. Dummy played low, hoping West would put up an honor, giving dummy's Ace-10 a tenace over East's honor, so as to pick it up on a return lead, but West knew that declarer could not beat the opening lead in his own hand unless he played his top card, so West played the 8, which forced declarer's K. Dummy won two rounds of trumps, leaving West with only a single good trump, probably much

At the eighth trick declarer led his only remaining spade, winning with dummy's Ace. The 10 of spades was led from dummy and ruffed by declarer. North had played the hand beautifully, eliminating from West's hand every spade and every diamond originally held. Now declarer was ready to end play the doubler of the small slam contract.

Declarer led next to his last trump, putting West in with the Q of hearts. The situation was perfect for North. He held the good 10 of trumps and two low clubs. Dummy held the A-Q-J of clubs. West was in the lead with nothing in his hand but 2 clubs. He had to lead a club. No matter which defender held the K of clubs, dummy must win two club tricks and declarer could ruff the last trick, just fulfilling his small slam contract.

## W. M. S. District Board Meets at Watts Home

### Plans Made for Spring Meeting in May At Chillicothe

The annual meeting of the executive board of the Chillicothe district of the Women's Home Missionary society of the Methodist Episcopal church was enjoyed Thursday afternoon at the home of Mrs. C. C. Watts, E. Main-st. Mrs. Watts is vice president of the district.

The afternoon was spent in making plans for the spring meeting of the district association to be held in early May in the Walnut-st. M. E. church in Chillicothe. Annual reports were heard by the officers.

A covered-dish luncheon at 1 o'clock preceded the business session. Covers were laid for Mrs. H. A. Rothrock of Nelsonville, district president; Mrs. Allyn Rathmell of Lockbourne, corresponding secretary; Mrs. A. E. Wagner of Athens, recording secretary; Miss Edna McKenzie, Chillicothe, young people's secretary; Mrs. Roy Higgins, Chillicothe, junior secretary; Mrs. Raymond Lanning of Logan, secretary of Christian citizenship; Mrs. F. E. Barnhill, president of the local society, and Mrs. Watts.

### Metzgers Entertain

Mr. and Mrs. S. B. Metzger of Williamsport entertained members of their bridge club and several guests at dinner Thursday evening at the Wardell party home.

Green was predominant in the two course dinner served at 7 o'clock at tables prettily decorated in green. Covers were laid for twenty-four.

Six tables of cards were in play after the dinner hour with prizes for top scores going to Mrs. Harry McGhee, Mrs. Harry Dunlap, Harold Bowers, and Clark Hunsicker.

Enjoying the evening were Mr. and Mrs. Glenn Baker of Wilmington, Mr. and Mrs. Clark Hunsicker, this city; Mrs. C. A. Dickey of Greenfield; Mr. and Mrs. E. F. Anderson, in Pickaway-twp for their February session.

Mrs. W. I. Spangler, president, was in charge and devotionals were led by D. W. Macklin, who also gave an interesting talk.

The following readings were given at the close of the business session: "Washington's Wise Words," Miss Anna Pontius; "A Partial List of Things He Misses," Miss Gift Macklin; "The Way to Begin," Mrs. Alonzo Marion, and "Second in One's Respect," Mrs. Myrtle Reichelderfer.

Lunch was served at the close of the evening by the hostess.

### Business Women Meet

The Business and Professional Women's club enjoyed a dinner meeting Thursday evening in the club room with fifteen members and one guest, Miss Florence Dunton, present.

The dinner at 6:30 o'clock was followed by a business session during which plans were discussed for the Public Relations dinner March 19 and the benefit card party, March 17.

Miss Blanche Valentine sang "In the Garden of Tomorrow" and was accompanied by Miss Anna Schleyer, who also played a piano solo, "Butterfly Waltz," by Skytte.

### Peters-Valentine

Miss Gladys Kathryn Peters, daughter of Mr. and Mrs. Ralph Peters of Jackson-twp, and Mr.

Loring E. Valentine, E. Mound-st., were married Thursday evening. Rev. L. S. Metzler, United Brethren pastor, read the ceremony at 6:45 o'clock at his home on E. Franklin-st. They were unattended.

Mr. Valentine is co-proprietor of the Blue Ribbon Dairy.

### Mrs. Corne Entertains

A party of lovely appointments was the evening bridge at which Mrs. G. S. Corne, N. Court-st., was hostess Thursday at her home.

Sixteen guests were invited for the delightful affair. Four tables of cards were in play and attractive favors were awarded Mrs. Ralph Curtin, Mrs. W. E. Hilyard and Mrs. G. H. Adkins, the latter winning the traveling prize.

Bud vases of calendulas centered the small tables for the delicious salad course served after the game bringing the enjoyable evening to a close.

### U. B. Ladies Meet

Members of the Ladies' Aid of the United Brethren church gathered in the community house Thursday afternoon for their monthly session. Mrs. W. B. Cady, president, was in charge of the program due to the absence of many of the program committee.

After group singing and reading of the Twenty-Third Psalm, Rev. T. C. Harper offered prayer. During the business a bake sale was planned, to be held sometime during the week preceding Palm Sunday.

Rev. Harper spoke on the importance of the Lenten season, relative to the spiritual side of life and urged church attendance.

The February lunch committee under the chairmanship of Mrs. Ira Valentine, served lunch to twenty-four members and five visitors.

### Bride-elect Honored

Miss Bernice Shasteen, bride-elect of Mr. Philip Glick, was honored Thursday evening when Mrs. Robert Leeper of Columbus and Mrs. Samuel Dearth, Pickaway-twp, entertained at the Shasteen home on N. Scioto-st.

Cards were enjoyed during the evening and prizes were awarded Miss Erma Valentine, Miss Lucille Campbell, and Miss Mary Anderson. Lunch was served at small tables.

A miscellaneous shower was given, the honor guest.

Guests at the party were Mrs. Paul Davis, Miss Valentine, Miss Mary Margaret Fohl, Miss Ursel Cardiff, Mrs. C. G. Little, Mrs. Sallie Brown, Miss Anderson, and Miss Campbell.

### Bible Class to Meet

The Westminster Bible class of the Presbyterian church will have its annual election of officers next Tuesday evening when it meets for its March session at 7:30 o'clock at the home of Mrs. George McDowell, S. Court-st.

Hostesses will be the outgoing officers, Mrs. Stanley Lewis, president, Mrs. H. O. Pile, Mrs. E. E. Porter, Mrs. Loring Evans, Mrs. McDowell.

### Marriage Announced

Mr. Fred H. Fee of Walnut-twp

is announcing the marriage of his eldest daughter, Miss Audrey Louise, to Mr. Wilbur L. Wells, son of Mr. and Mrs. H. L. Wells of Lancaster.

The ceremony was read Tuesday afternoon, Feb. 25, at two o'clock at the home of the officiating minister, Rev. Herman A. Sayre, pastor of the Methodist Episcopal church.

Mr. and Mrs. Wells are making their home in Lithopolis.

### Mrs. Bolender Hostess

Members of her afternoon bridge club were guests of Mrs. John Bolender, Washington-twp, Thursday, when she entertained at her home.

Two tables of cards were in play with prizes going to Mrs. C. D. Bennett, a guest, Mrs. F. M. McCollister, and Miss Della Hoffman.

A dainty salad course was served after the game.

In two weeks Mrs. McCollister will be hostess to the club at her home on N. Scioto-st.

### Ladies' Aid Meeting

The Ladies' Aid of the St. Paul's Evangelical church enjoyed its February meeting Thursday afternoon at the home of Mrs. Pearl Delong, Watt-st.

Mrs. Viola Glick, vice president, conducted the business session, in the absence of the president, Mrs. M. A. Leist.

The remainder of the afternoon was spent in sewing for the Red Bird Mission in Kentucky.

Lunch was served by the hostess bringing the meeting to a close.

The March session will be held at the home of Mrs. Mark Delong, E. Mound-st.

## HENDERSON Two-Way Stretch Elastic Step-In Girdle

Henderson Style 214

This fourteen inch girdle has the entire back section made of fine grade Peach two-way stretch elastic. As the elastic stretches both ways, it will not ride up on the figure, also making the garment extremely comfortable. The front section is made of fancy peach brocaded batiste.

It has a nine inch opening on the left side at top between the front panel and the elastic back section. This opening is fastened with hooks and eyes which makes it easy to put the girdle on and take it off. Sensational value at price **\$2.49**

# Four Women Guests on Jolson's Leap Year Hour

Elissa Landi and Una Merkel Appear; Ripley to Present Blind and Deaf Pianist; Notes About Stars

Al Jolson has fashioned an all feminine guest star bill, headed by Elissa Landi and Una Merkel, for his leap year program, broadcast Saturday, at 9:30 p. m.

The Chateau's able batonier, Victor Young, and Al Jolson will be on hand, all dressed in fancy white suits, to consider all proposals originated by their guests. Long suffering Vic, relegated to straight man retorts in the Jolson patter routines, is slated to turn tables on Al in the free for all comedy which the leap year event will occasion at the Chateau microphone.

Recently returned from a triumphant film campaign in her native England, Elissa Landi will be featured in the dramatic vehicle of the broadcast, Una Merkel, the southern girl who parlayed a syrupy accent and an outstanding personality into front rank film fame, will air a hilarious comedy sketch.

Mary Taylor, famed ice skating sensation, and Maxine Lewis, prominent songstress will complete the guest star lineup for this Chateau program.

Bob Ripley will bring a blind and deaf pianist to the microphone in person to play a "Believe It or Not" concert for listeners Sunday night. The pianist is Helen May Martin of Merriam, Kansas, who has been both blind and deaf since childhood. Despite these handicaps she has become an accomplished piano artist willing to compete with those not so handicapped. The radio audience will have a chance to judge her ability for themselves when she plays in the broadcast over a WJZ-NBC network at 7:30 p. m. (EST.)

Bits about personalities; Major Edward Bowes is writing his autobiography. . . Bing Crosby has dieted away 15 pounds. . . It is quite proper to refer to Al Jolson as His Honor, the Mayor. The title was recently bestowed upon him by citizens of Encino, a suburb of Hollywood. . . Stuart Allen, soloist with Richard Himber, was a schoolmate of Walter Winchell and Ben Bernie.

# RED AND BLACK OUTFIT DEFEATS ROUGH LEAGUERS

Melson Hits for 11 as Westerville Falls in Last Scheduled Game

A big and rough and tumble Westerville basketball team came to Circleville Thursday evening, played an equally rough and tough aggregation and went home on the short end of a 12-24 score.

The game was the last before the district tournament.

To say Westerville was outplayed and outgamed is putting it mildly because, failing to keep an even pace with the scrapping Red and Black at the usual game of basketball, the boys coached by John Hopkins took to elbowing and roughing in any possible way. Every dirty thing attempted was tossed right back into their own laps. Thirty fouls were called in ball game 17 on the invaders and 13 on the Tigers. Styers of the locals and Bill Henry of the losers went to the bench on personals.

## Tigers Always Ahead

Westerville was held to no points in the first period and three in the second session. Buckets by Melson and Styers gave the Tigers a lead at the period while nearly every one hit before the half was over to boost the count to 13.

The third period saw a lot of roughness and subsequent low scoring, the period closing 16-6. The last session was a knockdown, drag out affair with both teams knocking and dragging.

A climax was reached when Red Weaston, acting captain and man-eater forward, pushed John Jenkins to the floor, and a foul was called. Westerville's coach protested and had a technical foul called on him. He walked onto the court but returned to the bench without doing any damage. The personal foul so ired Coach Jack Landrum that he walked a few steps off his bench, but returned without any red hair in his hands.

## Melson Scores

Dick Melson led the scorers of both teams with 11 points on three buckets and five free tosses. The seven Westerville points were evenly split.

The invading reserves walked off with a 21-8 victory.

# LABOR TROUBLE TO FORCE NEW TOURNAMENT SCENE

CLEVELAND, Feb. 28.—(UP)—Floyd A. Rowe, Cleveland, a member of the state board of control of the Ohio High School Athletic association, announced here today a meeting of coaches of Class "A" school in the Northeastern district would be held at Akron Sunday to determine the site of the tournaments scheduled for March 5-6-7 and March 12-13-14.

The tournaments were originally scheduled for the Goodyear gymnasium at Akron, but labor trouble at the rubber plant necessitated the closing of the gymnasium.

With no immediate settlement of the strike in sight, H. R. Townsend, commissioner of the High school association, authorized Rowe to take whatever steps he believed necessary to meet the situation.

One proposed plan is to plan the first of two scheduled tournaments at four Akron high school gymnasiums and then take the final meet to the Auditorium at Canton.

A second proposal, which Commissioner Townsend at Columbus expressed as being more feasible, is to shift the Class "B" tournament now scheduled for Kent State university to the Roosevelt high school gymnasium at Kent and play the Class "A" tourney at the University.

Whether the coaches will ballot on these two plans or formulate another will be decided at the Sunday meeting.

# About This And That In Many Sports

## Friley Gets Eligible

To Will Friley of Jack Landrum's varsity cage team should go a lot of credit—Friley was ineligible last Monday, and his name was not on the eligible list sent to Westerville, but he put forth a lot of individual effort during the week and made good enough grades to get back into the good graces of the principal.

## Chillicothe Schedule

Chillicothe's 1936 football schedule has been announced, and it doesn't include Circleville—Games listed are Ironton, night; Washington C. H., Wilmington, Columbus Holy Rosary (we're picking Rosary right now), Hillsboro, next date open to prepare for Portsmouth, Jackson, Marietta, and Lancaster (Thanksgiving)—Chillicothe was willing to play the Tigers but the Red and Black did not care so much for the Ross-co game—Chillicothe loses its 1935 team (Jim Strausbaugh) by graduation—Other games left off were Cincinnati Withrow, Columbus East and Waverly.

## Hopkins Pain in Neck

Coach John Hopkins of Westerville high school behaved like a fowl ball Thursday evening when he walked out onto the court to argue with Referee Chick Pearce about a technical foul—The technical was really on Robertson, Westerville sub, who was good enough last year to star against the Tigers, but rides the wood this winter—The cager picked a wrong time to cat call Pearce—Neither Hopkins, nor Francis Schmidt nor Bernie Bierman, nor any other coach could have helped Westerville last night—The open shots the invaders obtained at the net numbered darn few, and at least two of the three buckets caged were from far out, one by Fuller from the middle, and another by Spessard from the side—Henry's goal was from the corner.

## Thornton to Indiana

Marty Thornton, who worked with Chick Pearce last night, left immediately after the game for Fort Wayne, Ind., to referee the northeast Indiana sectional tournament.

## Shorts on Sports

Hal Price Headley's big four-year-old, Whopper, has been suffering from a gall stone, and has undergone an operation in March. Please hand the comeback medal for this month to Charley Gelbert, who is ready for another season with the Cardinals, better than ever... the foot that he nearly shot off three years ago is okay again... Extra! An Irishman has been found at Notre Dame... he is Kevin Kehoe, co-captain of the fencing team... Steve Hannagan is handling publicity for the projected four-mile big league automobile racing course at Roosevelt field, Mineola, Long Island... the job has been financed for more than \$750,000 by a corporation of which George Marshall, prexy of the Boston Redskins pro football team, is president... two races of 400 and 500 miles each are planned each year.

## Bees—Apiary—Ha, Ha!

Joe E. Brown will take a ball club to Japan and China next fall... Johnny Whitehead, who looked so promising as a pitcher last spring, will be put through a course of sprouts at the White Sox Pasadena training camp... if he doesn't take off that waistline, Mister Dykes will glare at him... The Boston National league park, where the newly christened Bees play ball, might be called the Apiary, but some of the boys in the back room might not understand.

# "GRUDGE" RACE SOUGHT IN EAST

Baroni's Top Row May Meet Time Supply in Spring

NARRAGANSETT, R. I., Feb. 28.—(UP)—A "grudge" race between Top Row and Time Supply, principals of the Santa Anita handicap "incident," may be staged at Narragansett park for a \$25,000 purse during the spring meeting, it was indicated last night.

Invitations have been extended owners of the two horses by Walter O'Hara, Narragansett owner. The distance and weights would be the same as those of the Santa Anita feature and the race would be run after May 2.

O'Hara's invitation was an answer to A. A. Baroni, owner of Top Row. Baroni, taunted by criticism of an alleged foul by his jockey in the \$100,000 race, had offered to race Top Row against Time Supply or any other Santa Anita entry to settle the issue.

Baroni barred his challenge with an offer of side wagers of \$25,000 or \$50,000.

# TOURNEY GAMES TONIGHT DECIDE TWO FINALISTS

Ashville - Muhlenberg, New Holland - Pickaway Scheduled in Semifinals

Teams to participate in the finals of the county tournament, to be played Saturday evening, will be determined tonight when the semi-finals of the boys' tournament take place.

The lineup is:

7, Ashville vs. Muhlenberg.  
9, New Holland vs. Pickaway.

Sandwiched in between will be a girls' game with third place at stake, between Ashville and Darby-twip.

It promises to be a big evening with plenty of action. On form Ashville and New Holland should win, but Muhlenberg and Pickaway are both capable of upsetting the dope bucket.

The probable lineups are:

# HOLLYWOOD GAINS FAVOR AS FAVORITE IN DERBY

ST. LOUIS, Feb. 27.—(UP)—Hal Price Headley's Hollywood today was quoted as a 6 to 1 favorite to win the Kentucky Derby, in an announcement of winter prices by Charles Burke, St. Louis betting commissioner and successor to the late Tom Kearney.

Hollywood was quoted at 3 to 1 to place and 3 to 2 to show.

Other favorites include: Brevity, 8 to 1, Tintagel, Grand Slam, and Coldstream, 10 to 1, Red Reigh, 12 to 1, Maeriel, Memory Book, 15 to 1, Fighter, Split Second, Snark, Bien Joli, 20 to 1.

The longest price quoted was on Judge Kavanagh at 1000 to 1.

# OHIO U., AND OTTERBEIN TAKE BASKETBALL TILTS

COLUMBUS, Feb. 28.—(UP)—A sophomore basketball team which reached its peak late in the season scored its seventh Buckeye conference victory at Huntington, W. Va. last night when Ohio University defeated Marshall college 48 to 43.

Beaten twice in their first four conference starts, Ohio U. set a blistering pace in the late part of the campaign and grabbed five out of six decisions. Its only conference loss since mid-January was a 34 to 29 setback by the University of Cincinnati.

The Bobcats rallied in the second half last night to give the West Virginians their ninth defeat in ten conference games.

Mount Union's well balanced team tightened its hold on second place in the Ohio conference when it downed Wooster 51 to 41. Evan Schlitz, Mount Union forward, scored 20 points. Nick Frascella, Wooster's great sophomore, secured 15 points and brought his

# BERG IS SELECTED FOR POSITION ONE OF 8 ON U.S. TEAM

NEW YORK, Feb. 28.—(UP)—Eighteen-year-old Patty Berg, freckle-faced Minneapolis high school girl, today had the distinction of being the youngest player—men included—ever named on a golf team representing America in international competition.

The red-haired midwestern girl, who celebrated her birthday last week, was one of eight players selected yesterday by the women's committee of the United States Golf Association for the Curtis cup team which will meet a British team at Gleneagles, Scotland, May 6-7.

The team which will seek a third consecutive American triumph in the biennial series begun in 1932 will be captained by Mrs. Edwin H. Vare, the former Glenna Collett, who has been American champion six times and who has been American champion six times and who played on both former Curtis teams.

With the exception of Miss Berg, the team is the same as that which defeated Britain 6½ to 2½ at Chevy Chase, Md., in 1934. Only absentee from that team is Virginia Van Wie of Chicago, who retired a year ago after winning the American championship three times in succession. It was learned that efforts were made to bring her out of retirement but that she refused.

seasonal total to 246 in 13 conference games.

In other games last night Otterbein came from behind in the final minutes of play to defeat Capital 35 to 30; Muskingum toyed with Denison as it won 39 to 18; Findlay defeated Hiram 44 to 30 and Heidelberg bested Ashland 39 to 28.

Tonight's schedule, which is devoid of a feature game, contains four contests. The games find Hiram meeting Bowling Green at Bowling Green; Youngstown engaging St. Thomas at Seranton, Pa.; Penn opposing Grove City at Grove City, Pa., and Rio Grande playing New River State at Rio Grande.

## AT THE CLIFTONA

It is as a young society doctor's wife that Ann Harding comes to the screen of the Cliftona theatre in her current RKO Radio's sophisticated film drama, "The Lady Consents." Herbert Marshall, co-starring with the blonde actress, plays the doctor who is susceptible to the charms of his attractive clients.

Caught in the acute lines of a complicated love triangle, Miss Harding allows her husband to escape into the arms of another woman, sacrificing her love for his happiness.

But when she learns that the other woman, played by Margaret Lindsay, is using her former husband merely to provide money and social position, Miss Harding launches a counter-attack to win him back.

# CITY, COUNTY REDUCE BONDED INDEBTEDNESS

## \$79,300 REMAINS IN CITY; SCHOOL DEBT IS SLASHED

Auditor Report Total Bonded Obligation of Districts is \$758,325.46

Pickaway-co reduced its bonded indebtedness \$37,000 in 1935, and the city \$14,135.25, according to a report completed Friday morning by County Auditor Forrest Short. The county's outstanding indebtedness on Dec. 31, 1934 was \$171,000, the report shows, and at the close of the year \$134,000. The city's debt was \$93,435.25 on the same date and has been reduced to \$79,300.

**Villages Pay Little**  
Villages, having a bonded debt of \$88,000 paid but \$500 during the year. The townships have no bonded indebtedness listed. City schools paid \$6,000 in 1935, reducing their debts to \$54,000. Township and village schools, listed at \$439,168.09, paid \$35,642.63 during the year but an additional issue of \$2,065.46 left the balance at the close of the year at \$405,590.92.

**Balance \$758,325.46**  
The total debts of all divisions were listed at \$851,603.34, on which \$93,277.88 was paid, leaving the total balance this year at \$758,325.46.

## MONEY IS READY FOR OHIO SCHOOL

First Funds Under Foundation Program Prepared

COLUMBUS, Feb. 28.—(UP)—Another phase of the Traxler-Kiefer school foundation law will become operative March 1 when first funds are scheduled to be paid to school districts of the state for maintenance of pupils.

Approximately \$11,000,000 is due to be paid all Ohio public school districts early in March as the first quarter settlement. School districts, however, are not expected to receive the first drafts until about March 6.

It was believed today, however, that the figure would not reach the \$11,000,000 mark because of slack collections in sources from which the school fund is to be derived.

The actual money each school district receives will be determined upon accounts credited to the particular state fund as of Feb. 29. Amounts schools are due to receive and the amount they actually are awarded will be determined on a pro-rata basis should the income not measure up to expectations.

The law was passed to guarantee each school district a specified amount yearly for maintenance of each pupil in attendance.

The law further gives to the director of education the power to combine school districts in such areas as the merger will be for the best interests of economy.

When school districts fail to follow recommendations for consolidation, the areas face possible loss of state support.

## Sawdust and Cuspidor League Nearing Form

Habitués of Court and Main-Sts Practicing for Annual Spring and Summer Derby; Might Aid Pumpkin Show

### By FRANKLIN KIBLER

Members of the local Sawdust and Cuspidor League, Unlimited, who have been reduced to putts instead of drives this winter because of the dangers of their profession in stiff arctic breezes, tossed their first gobs of chewin' on the main corner this week and officially opened their spring training.

Based on early indication, the boys will be establishing new marks this summer on distance, patterns and speed. Snow and slush prevented accurate measurements at the preliminary matches but the "speeders" are cutting the distance between pedestrians with amazing accuracy.

Some of the older members have lost front teeth during the severe winter and are confident of new laurels in the March semifinals.

### Clothing to Cleaners

Last year the leaguers received their first publicity when their summer "shoots" sent several articles of wearing apparel of non-members to the dry cleaners and the streets became a little too slippery for some of the older residents.

A small group of leaguers making practice shots at the old suburban rails one evening this week, discovered the best gobs were patterned on a discussion of seed corn condition and politics. The league is open to suggestions from local residence on topics that can be properly "chewed."

Several members, who have read a number of sports magazines during the winter on the increasing popularity of skeet, are working up some station positions and are hitting most anything. Plans may be considered for some type of a moving target if sufficient space can be found in the downtown district. Because of the crowded condition of the square on Saturday night, when the main practice sessions are conducted, the members have been confined largely to repainting the lines of the no-parking spaces.

How this great local institution has escaped the eyes of the Pumpkin show directors as an interesting departmental exhibit is a puzzle to many local residents. Their favorite chewing could be awarded as prizes and the program would have a novelty feature unique in the city.

## SOCIAL SECURITY NOT TO CHANGE PENSION PAYMENT

Payments of old age pensions by Ohio to the recipients of aid under the Aid for the Aged Law will not be changed by the provisions of the national Social Security Act, according to T. D. Krinn, investigator in charge of the Pickaway-co office in the Johnson building.

"Ohio soon will get Federal funds to aid in the payment of pensions under the provisions of the Social Security Act," Mr. Krinn said. "Some persons have from the state and the other from reading provisions of the national law, providing that the Federal Government will pay half the cost of pensions in the states, that in the future pensioners will each receive two checks each month, one from the state and the other from Washington. Such is not the case. Each pensioner will continue to receive one check each month from Columbus."

"The federal government will furnish its share of the cost of pensions to the state, which must match the federal grant dollar for dollar. All the money goes into a special state fund, from which the pensions will be paid."

"It will remain the duty of the state division of aid for the aged to fix the amounts of pensions, as in the past, and the method of payment will be unchanged."

# OVER BILLION ASKED IN NEW U. S. TAXES

## PRESIDENT SEES NEED FOR BONUS, AAA TAX MONEY

Inflationists Begin Drive for  
Patman and Frazier-  
Lemke Measures

### NEW PROGRAM OUTLINED

Estimate of Need Higher Than  
Expected; \$1,137,000,000  
Exact Figure

WASHINGTON, Feb. 28.—(UP)—President Roosevelt today estimated the total of the newly recommended administration tax bill at \$1,137,000,000.

The president's estimate was substantially higher than any previous estimates, but included the amount of impounded AAA processing taxes which Supreme Court ordered returned and which he indicated the government would seek to recover.

As the first official word on the tax program came, inflationists and Republican senate leaders already had launched an attack on the administration program.

### Inflationists Busy

The inflationists indicated that they would carry on a fight to the finish against any attempt to impose new taxes for bonus purposes, using both the Patman bonus inflation bill and the Frazier-Lemke \$3,000,000,000 farm inflation measure as their weapons.

President Roosevelt outlined the tax program he wants enacted this session as follows:

A sum of \$120,000,000 a year in new taxes to carry the additional charges involved in immediate bonus payment above the \$160,000,000 budget provision which was estimated on a basis of payment in 1945.

\$500,000,000 in substitute AAA taxes.

A temporary tax over a one, two, or three year period to recover the \$500,000,000 lost by the treasury this year in progressing levies as the result of the Supreme court decision outlawing the AAA.

## COLUMBUS CUTS SAFETY SQUADS

Inhalator, Salvage Crews  
Eliminated for Economy

COLUMBUS, Feb. 28.—(UP)—Elimination of the inhalator and salvage squads from the Columbus Fire department and reduction of radio cruisers in the police department from 12 to 6 was ordered here today, as Mayor Myron Gessaman continued reductions in the public service departments designed to balance the city's budget.

A previous order instructed closing of 11 out of 19 fire engine houses.

All reductions are effective Sunday.

### CHILLICOTHE MAY DROP FIREMEN OFF PAYROLL

CHILLICOTHE, Feb. 28.—Under an economy plan being considered by Mayor James Ford, No. 2 fire station on N. High-st. would be abandoned and four firemen dropped from the payroll. The move would save the city about \$6,300 a year in salaries. The mayor contends a survey of the last four years revealed only 10 per cent of all calls are in the district.

### MIAMI RESORT HOTEL ROBBED BY BANDITS

MIAMI BEACH, Fla., Feb. 28.—(UP)—Bandits held up the ocean-front hotel today and escaped with safety deposit boxes believed to contain several thousand dollars in cash.

Neither the hotel nor police would reveal details of the robbery pending an investigation.

## Sues Negro Doctor

CHARGING that he made love to her for years and then jilted her, Miss Alice Piper, a white registered nurse of Des Moines, Ia., has brought suit against Dr. J. Alvin Jefferson, a Negro physician.

## GUARD AVERTS PRISON ESCAPE

Three Men, Headed By Filkowski, Return Behind Walls

COLUMBUS, Feb. 28.—(UP)—Three Ohio penitentiary convicts, who attempted to escape rushed back into the prison yard today when Guard August Light fired one shot at them. None was injured.

The three convicts are John Davis, Cleveland, serving life for murder; Edmund Paulinski, Lucas, serving 20 to 50 years for robbery; and Joe Filkowski, Cleveland, serving life for murder.

The men, armed with a wood gun and serving knives, got through the inner gate and were attempting to get through the outer gate when Guard Light saw them. He fired just one shot—and the three convicts rushed back into the prison yard.

They had attempted to flee as a truck was entering the prison grounds.

Guard Sherman H. Livingston, 60, was attacked and his head bruised by prisoners as he was attempting to close the inner gate.

## ROSS - CO FOREST LAND SOLD U. S.; COUNTY IS AIDED

Four Pickaway-co boards of education received \$5.25 an acre for the 160 acres of school land they owned in Colerain-twp. Ross-co, sold Thursday to the government for the Ross-Hocking forest and recreation development project.

The 160 acres were included in 1760 acres sold for \$9,240. Since granted to the state in 1803 the land has been known as a "squatters' paradise" and the local boards received no revenue. It was located in which is known as the Slickaway and Tar Hollow districts and has been the scene of much moonshining operation and many liquor raids. It was appraised at \$8,720 and described as "unimproved." Work has already been started on the land to carry out the program of reforestation.

Proceeds of the sale of the school board's "farm" will go into a special school fund from which the school districts receive the interest.

Under the old school and ministerial land grants, the land was given to a quarter section of Circleville-twp which involves the Circleville-twp and corporation school districts, Jackson - twp school district and Pickaway-twp school district.

A poll of residents in the old quarter-sections was made by the boards to approve the sale.

Nomination

### T A F T FAVORITE SON

Landon, Knox, Vandenberg,  
Dickinson Remain Out of  
State Contest

COLUMBUS, Feb. 28.—(UP)—Echoes of the state Republican organization's war cry reverberated today as the battle for Ohio delegates to the Republican national convention at Cleveland next June began in earnest.

Opposing forces in the preliminary events leading to the Ohio presidential primary, May 12, were Senator William E. Borah of Idaho, who several weeks ago announced his candidacy in Ohio for the presidential nomination, and the state central committee, bitterly opposed to Borah.

The central committee, working speedily, announced late yesterday it would retain its previous announced "favorite son" plan. Robert A. Taft of Cincinnati, son of the late President William H. Taft, was chosen as the "favorite son."

### Frederickson Second

The second choice of the Ohio organization is Charles Frederickson of Coshocton, former state Republican chairman.

State capital political experts were uncertain which of the major Republican candidates would be most likely to receive the organization's support. Results of a poll conducted by the state central committee showed strong sentiment for Governor Alf M. Landon of Kansas.

The vote cast in the poll was 8964. Governor Landon received 5041 votes, or 56.3 per cent; Senator Borah, received 1888, or 20.8 per cent; Frank Knox, Chicago publisher, 1182; Herbert Hoover, 369; Senator Arthur H. Vandenberg, (Continued on Page Two)

## Annual Sportsman's Fete Attended by Nearly 300

Pfeiffer, President of Ohio League, Urges Universal Fishing License Law and Prohibition of Rabbit Sale; Many Speakers Introduced By H. E. Betz

By FRANKLIN KIBLER

Plenty of red snapper and a snappy, entertaining program consisting of brief speeches and three reels of conservation movies, were enjoyed by approximately 300 persons who attended the annual banquet of the Pickaway Farmers' and Sportsman's association held Thursday evening in the Elks lodge.

Equipped with an old-time school bell for timing, H. E. Betz, president of the association, proved a clever toastmaster, and kept the program moving at top speed.

Graham, Others Speak

Brief remarks were made by Mayor W. J. Graham, Jacob Meckstroth, editor of the Ohio State Journal and a prominent Ohio sportsman; Frank Atwood, Columbus attorney and former state senator; W. I. Spangler, Tarlton, former state senator; A. T. Holl, assistant director of the state department of public works, who assisted sportsmen in the canal project; Ed Rausenberger, local sportsman and treasurer of the League of Ohio Sportsmen, and Robert Johnson of the state conservation department who attended as a representative of Larry Woodell, state conservation commissioner.

## CITY EMPLOYEES TO RECEIVE PAY

Colville Reports Draft Possible  
Early Next Week

City employees, who have had a payless February, may expect their salaries the early part of next week. County Treasurer Robert G. Colville announced Friday.

It is believed sufficient taxes will be paid by Monday or Tuesday to take care of a draft for the city to pay wages. Approximately \$2,000 will be needed.

Collection of the belated December taxes started Wednesday.

## RAILROAD FARE SLASH ORDERED

Commerce Commission Cuts  
Price to Two Cents Mile

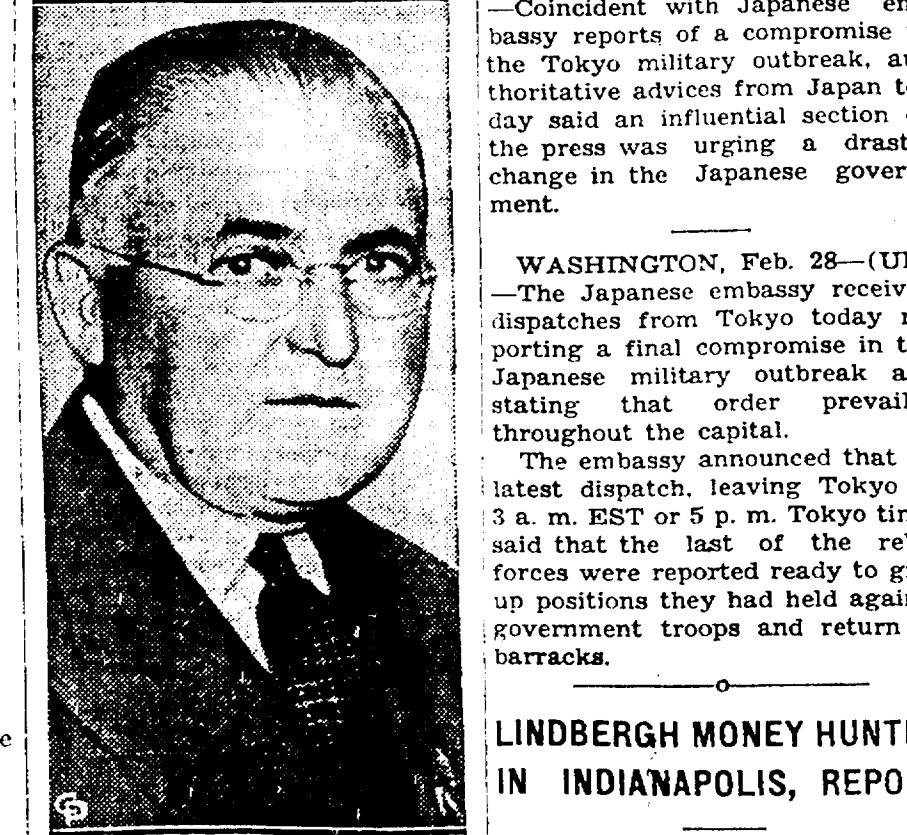

WASHINGTON, Feb. 28.—(UP)—The Interstate Commerce Commission today ordered American railroads to charge passengers two cents per mile fares in coaches and three cents for Pullman transportation.

After an investigation, of nearly two years, the commission found that present standard fares of 3.6 cents were unreasonable and ordered the Pullman surcharge eliminated.

The commission allowed the railroads to continue charging extra fares on their superservice trains.

"Since 1923 the railroads of the country have been suffering severe losses in passenger traffic and revenues," the commission said in explaining the reason for its order.

FORCES of Senator William E. Borah-for-president put their drive for Ohio's 52 electoral votes in June into high gear with the announcement that Frank E. Gannett of Rochester, N. Y., above, publisher of 19 newspapers, would be Borah's running mate in Ohio.

## SCIOTO FALLING AFTER REACHING 18.6-FOOT MARK

Four Inch Drop Reported During Morning; Highway Remains Blocked

### ROUTE 104 NOW OPEN

Northern Ohio Feeling Brunt of Floods; Several Towns in Trouble

By UNITED PRESS  
Flood dangers in Ohio will pass within the next 48 hours unless the state receives more rain, W. H. Alexander, state meteorologist, predicted today.

Alexander said the general outlook was optimistic for a general flood threat and that unless there was a sudden change in atmospheric conditions the situation would approach normal by early next week.

Routes 22 and 56, west, were still closed to traffic Friday because of flood waters, but, observers reported the Scioto river had receded four inches from 7 a. m. until noon and that the highways would probably be open before Sunday.

Route 104, the Jackson-pk, was open with the water of Darby creek starting to return to its banks. The road was damaged by the high water, but is passable.

The Scioto climbed to the 18.6-foot stage early Friday, the highest it has reached since the ice jams north of the county were broken up.

### Detoured Through Fox

Traffic to the west on Route 22 is being detoured through Fox post office and south on Route 104.

Warmer weather is predicted for the week-end.

CHICAGO, Feb. 28.—(UP)—Turbulent streams bounced ice blocks over lowlands in Indiana, Ohio and Kansas today, forcing scores of families from their homes.

The flood menace was most severe in the Maumee and Chagrin river valleys in Ohio.

More than 100 families were driven from their homes at Painesville, O., when the Chagrin poured over its banks.

Near Toledo, the Maumee marooned 30 families. Ice gorged in the river, threatening new floods.

### Mississippi Rising

Thaws loosened ice in the Missouri and Mississippi rivers and they were rising steadily. A dozen families in Kansas fled from inundated lowlands near the Missouri.

Fair weather with rising temperatures was forecast for most of the midwest today and tomorrow. Rivermen said the flood menace will decrease with a gradual thaw and no rain.

The Wabash river remained out of its banks below Bluffton, Ind. As tributary streams receded, huge ice cakes remained scattered over lowlands.

Motorists and schoolchildren marooned by deep snowdrifts near Sioux City, Ia., and Sioux Falls, S. D., were rescued by highway workers.

### 105 FILE PERSONAL TAX REPORTS WITH AUDITOR

Reports in the office of Forest Short, county auditor, Friday, showed only 105 persons have filled out their personal tax returns during the last week.

Approximately 3,200 returns were filed last year. The deadline for filing is March 31.

### SHASTEEN ACTING CHIEF

Accident Happens at Mc-  
Crady Home as He Prepares  
to Help Watch Traffic

Police Chief William McCrady suffered a flesh wound in his left leg below the knee Thursday night at his home when his service pistol slipped from the holster, falling to the floor.

The officer had placed his flashlight, revolver and bludgeon on a window sill in the dining room of his home. He planned to assist other officers in handling traffic on Pinckney-st. at about 8:45 p. m. and went to get his gun.

### Struck on Hammer

After putting his flashlight in his pocket, he picked up the revolver and holster, and the gun slipped off dropping on the floor. It is believed it hit directly on the hammer.

The .32 caliber compressed bullet went through the officer's leg, just grazing the bone and tearing a large hole in the wall paper and plastering on the opposite wall of the room.

### Revs Well at Home

Chief McCrady was taken to the office of Dr. E. S. Shouse by his son, John, and Patrolman Carl Radcliff in the police cruiser, and then to his home. He was resting comfortably Friday morning but reported his leg "awfully sore."

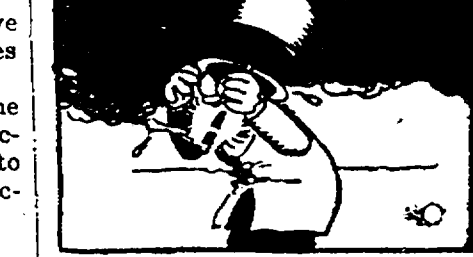

Patrolman Alva Shasteen was appointed acting chief during McCrady's absence.

## FOUR BOUND TO GRAND JURY FOR CHICKEN THEFTS

Four youths arrested Wednesday for the theft of 11 chickens from William Burris, New Holland, admitted charges of breaking and entering and theft Friday morning before H. O. Evenden, justice of peace, and were bound to the grand jury under \$1,000 bond each.

The youths are: Floyd Woods, 20, Fayette-co near New Holland, John, 18 and William Kearns, 20, and Everett Yarger, 20, all of Perry-twp. They were unable to furnish bond.

## MAN OPENS ATTACK ON STATE EVIDENCE

**Governor Hits Perrone;  
Hauptmann's Life in Bal-  
ance as Officials Fight**

RENTON, N. J., Feb. 28.—(UP)—Bruno Richard Hauptmann's life was staked without camouflage today on a fight between Republican Governor Harold G. Hoffman and Democratic Attorney General David T. Wilentz.

The young governor, whose doubtfully legal reprieve was all that saved Hauptmann six weeks ago, urged his private investigators to new attacks on the veracity of state witnesses and the authenticity of state evidence against Hauptmann. They have 37 days at most in which to produce evidence startling enough to win Hauptmann a new trial. He is sentenced to die in the week of March 30.

### Reprieve Illegal

Wilentz sat back with a trumpet and awaited developments. In his office was a legal opinion backed by eminent constitutional authority that the first Hauptmann reprieve was illegal and that he can prevent another by a simple court action. He will try, unless new evidence is discovered that would justify a new trial.

Hoffman's latest tactic in maneuvers to discredit the evidence that convicted Hauptmann of the Lindbergh kidnapping was intended to force Dr. John F. (Jafie) Condon to return from Panama voluntarily, observers thought. The governor drew from state police files a record of statements and testimony by Joe Perrone, taxi driver who was the kidnaper's unwitting messenger.

The constitutional ground on which Wilentz relied to prevent another reprieve for Hauptmann was ruled upon by the State Supreme court in 1928. It states that the power of a governor to reprieve expires 90 days after the death sentence is first passed. Hauptmann was sentenced almost a year ago.

## Oddities in Nation's News

### MISSING SWAN FOUND

HUDSON, Feb. 27.—(UP)—"Necky," a swan captured in icy Lake Erie after her wings became coated with oil, is going back home, thanks to a newspaper photographer. A front page picture of "Necky" was recognized by her owner, John Roski, who has a country estate near here. Roski said the swan disappeared several months ago.

### ICE \$1 A TON

CONCORDIA, Kans., Feb. 28.—(UP)—The severe cold wave froze ice on the Republican river to a depth of 16 inches. The ice, cut into cakes, is bringing \$1 a ton from farmers who will store it for future use.

### FIRST KISSERS OUT

CHICAGO, Feb. 28.—(UP)—Co-eds at the University of Chicago who let themselves be kissed on a first date probably won't be asked for a second date. A leap year poll revealed 96 men against "first date kisses" while 60 thought they were all right. One student said it was "OK if she cuts it down to a goodnight kiss."

### READING STRESSED

CHICAGO, Feb. 28.—(UP)—Nearly 40 per cent of primary grade children fail in their studies because of inadequate reading instruction, Prof. Paul A. Witte of Northwestern university today told the progressive education association. He urged greater consideration of individual differences in children.

## SCIENTIFIC REPORT FAVORS BRAN

**Relieves Common Constipation\* Safely**

Read this statement, taken from an article in the *Journal of the American Dietetic Association*, pages 133-134, Nov., 1932:

"The inclusion in the diet of a small portion of bran . . . would seem a very practical way of getting fiber which is not likely to be disintegrated. This bran has the additional advantage of furnishing a considerable amount of vitamin B and of readily available iron."

Exhaustive tests, over a period of five years, have proved Kellogg's ALL-BRAN to be a safe, effective way to correct constipation due to insufficient "bulk" or fiber in meals. It is accepted by the American Medical Association Committee on Foods for this purpose.

You will enjoy this pleasant way to prevent the dangers of constipation. You can eat Kellogg's ALL-BRAN as a cereal with milk or cream. Or cook into delicious breads and muffins.

Usually two tablespoonfuls apiece daily are enough to protect your family from common constipation.\*

Serve ALL-BRAN regularly for regularity. Sold by all grocers. Made by Kellogg in Battle Creek.

## CLAIM SELASSIE HURT IS DENIED BY ETHIOPIANS

**Italian Troops Engaged in  
Offensive on Eritrean  
Frontier.**

### ADDIS ABABA, Feb. 28.—(UP)

The Ethiopian government wearily dismissed Djibouti reports that Emperor Haile Selassie had been wounded as "another Djibouti rumor" today.

The dispatches were published in Rome newspapers. Djibouti, in French Somaliland, terminus of the only railroad leading out of Ethiopia, long has been a rumor factory.

Dr. Hanner, the Emperor's personal physician, was in Addis Ababa today, not in Dessaye with the emperor as the Rome dispatches said. He was last at Dessaye two weeks ago.

### ROME, Feb. 28.—(UP)

Italian troops were believed engaged in a big new offensive in northern Ethiopia today.

War Communiqué No. 138 said: "Marshal Badoglio telegraphs that since yesterday at dawn our troops on the Eritrean front have been in movement."

Military observers interpreted the communiqué as meaning the resumption of an advance toward Amba Alagi, the great mountain stronghold south of the present front, and points commanding caravan routes to the west of it.

Earlier dispatches from official sources at Asmara, capital of Italian Eritrea, said Italians were extending their positions west of the present front and occupied an important pass which dominated several caravan trails of the southern Tsembien region.

### MEDALS NOT PAID FOR

NEW YORK, Feb. 28.—(UP)—Dieges and Clust, jewelers, complained today that New York City ought not give gold medals to distinguished visitors unless, it is willing to pay for them. Bills for medals given as much as five years ago to Amelia Earhart, Putnam, Wiley Post, Gen. Italo Balbo, and Capt. and Mrs. James A. Mollison, the jewelers said, have not been paid. The medals cost \$173.36 to produce. Dieges and Clust ask the city to pay \$185.

seasons to obtain the opinions of local sportsmen on subject before the league. The speaker urged sportsmen to elect representatives who would represent them.

Ed Rausenberger gave a brief description of the Anchor party-ride, the bird he hopes to introduce into Pickaway-co this spring to replace the Hungarian party-ride. Local sportsmen hope to purchase 100 eggs and it was announced at the meeting the New Holland club expects to donate \$25 for eggs.

Mr. Atwood praised the organization for the close relationship it created between farmers and sportsmen and lauded it as one of the best clubs of its type in the state. "You men rub elbows with one another, creating a better fellowship and when both sides join forces you are sure to progress," he said.

Fred Harlowe, Newark, game commissioner for eleven counties, announced plans to propagate 2000 pheasants here this year. Arrangements are being made to have the eggs hatched locally and the chicks will be raised by sportsmen. Last year Mr. Harlowe was asked for 20,000 fish for restocking purposes and the total number received locally was 4,600. The state liberated 463 pheasants and 24 rabbits in this county in addition to the 144 rabbits and 14 coons released by the organization.

Mr. Harlowe urged sportsmen to

boost their club to other residents and urged them to purchase licenses from club members. Approximately 640 hunting licenses and 150 fishing licenses were purchased from club members in 1935. In Fairfield-co last year over 4,000 licenses were sold through the sportsmen's club and \$1,000 spent for wild life. Mr. Harlowe asked sportsmen to conduct a vigorous drive against vermin, giving cats a prominent place on the vermin list.

Ralph May, Pickaway-co commissioner, asked sportsmen to urge other nearby counties to cooperate in placing a bounty on crows and hawks. Several months ago the local board voted to pay bounties but nearby counties flatly refused to cooperate in the movement.

Others introduced by the chairman were: Clarence Francis, conservation officer, and Officers Ed Eberst, Hocking-co; Clarence Hiller, Fairfield-co, and William Francis, Ross-co; Ralph Wood, local engineer, who has offered his services in locating dams for the WPA project sportsmen hope to obtain; and Virgil May, Dudley Briggs and Earl Hoffman, delegates to the League of Ohio Sportsmen meeting.

Arrangements are being made to have a question box located in the Betz restaurant. Questions will be sent to the state conservation department.

The association purchased 450

*You've Never Seen  
an Instrument  
LIKE THIS*

THE NEW MAGIC BRAIN! The sensation in radios! It is the main factor by which RCA Radios achieve higher standards in reception. It now utilizes three tubes instead of two. The R.F. Tube more efficiently guards the program you want, supercharging it for clarity and freedom from noise. Come in and let us tell you why the radio you should buy should be one of the New Magic Brain.

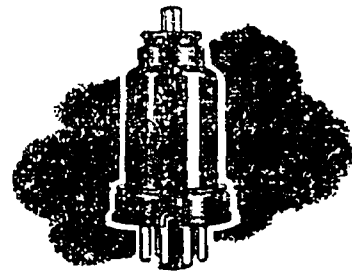

#### TRADE IN YOUR OLD RADIO HERE!

We will take your old radio in trade on a New RCA Victor. We are in a position to offer you a liberal allowance for your old set and we urge you to talk to us about this trade-in allowance, and see the new RCA before you decide on a new radio. Come in at your convenience.

New **RCA VICTOR**  
with Metal Tubes

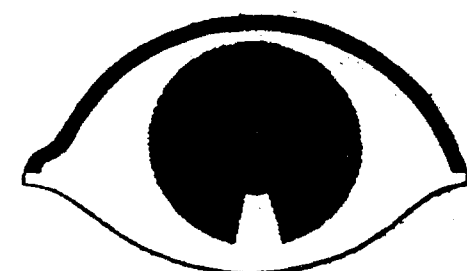

The new RCA Metal Tubes in 1936 RCA Victor Radios are the greatest tube advance in 28 years!—And if your radio is really a modern, up-to-the-minute set, in step with the latest in science and invention, it must have Metal Tubes—"sealed in steel." They're quieter—they're perfectly self-shielding—they're uniform—and they produce better reception, especially of shortwave programs!

## WHAT

is the

## MAGIC EYE?

The Magic Eye is a Cathode Ray Tube which "sees" that your radio is properly tuned. Located above the dial it glows with a soft green light, actually caused by an electronic bombardment from a tiny "ray." A dark sector extending downward from the center narrows as you tune in stations, and—when it is narrowest—indicates that you are PERFECTLY tuned in for best reproduction. This is an exclusive RCA feature!

#### BUY YOUR NEW RCA RADIO ON EASY TERMS!

Think of it! Buying a new RCA Victor on EASY TERMS! But that is exactly what we will do—let you pay a small sum weekly after the usual low down payment has been made. Our store is the only one in the city offering these liberal terms on the purchase of a new RCA!

## Women Guests on Al Jolson's Leap Year Hour

Elissa Landi and Una Merkel Appear; Ripley to Present Blind and Deaf Pianist; Notes About Stars

Al Jolson has fashioned an all feminine guest star bill, headed by Elissa Landi and Una Merkel, for his leap year program, broadcast Saturday, at 9:30 p. m.

The Chateau's able batoneer, Victor Young, and Al Jolson will be on hand, all dressed in fancy white suits, to consider all proposals originated by their guests. Long suffering Vic, relegated to straight man, returns in the Jolson patter routines, is slated to turn tables on Al in the free for all comedy which the leap year event will occasion at the Chateau microphone.

Recently returned from a triumphant film campaign in her native England, Elissa Landi will be featured in the dramatic vehicle of the broadcast, Una Merkel, the southern girl who parlayed a syrupy accent and an outstanding personality into front rank film fame, will air a hilarious comedy sketch.

Mary Taylor, famed ice skating sensation, and Maxine Lewis, prominent songstress will complete the guest star lineup for this Chateau program.

Bob Ripley will bring a blind and deaf pianist to the microphone in person to play a "Believe It or Not" concert for listeners Sunday night. The pianist is Helen May Martin of Merriam, Kansas, who has been both blind and deaf since childhood. Despite these handicaps she has become an accomplished piano artist willing to compete with those not so handicapped. The radio audience will have a chance to judge her ability for themselves when she plays in the broadcast over a WJZ-NBC network at 7:30 p. m. (EST).

Microphonics

Bits about personalities: Major Edward Bowes is writing his autobiography. Bing Crosby has dieted away 15 pounds. It is quite proper to refer to Al Jolson as His Honor, the Mayor. The title was recently bestowed upon him by citizens of Encino, a suburb of Hollywood. Stuart Allen, soloist with Richard Himber, was a schoolmate of Walter Winchell and Ben Bernie.

# RED AND BLACK OUTFIT DEFEATS ROUGH LEAGUERS

Melson Hits for 11 as Westerville Falls in Last Scheduled Game

A big and rough and tumble Westerville basketball team came to Circleville Thursday evening, played an equally rough and tough aggregation and went home on the short end of a 12-24 score.

The game was the last before the district tournament.

To say Westerville was outplayed and outgamed is putting it mildly because, failing to keep an even pace with the scrapping Red and Black at the usual game of basketball, the boys coached by John Hopkins took to elbowing and roughing in any possible way. Every dirty thing attempted was tossed right back into their own laps. Thirty fouls were called in the ball game 17 on the invaders and 13 on the Tigers. Styers of the locals and Bill Henry of the losers went to the bench on personals.

**Tigers Always Ahead**

Westerville was held to no points in the first period and three in the second session. Buckets by Melson and Styers gave the Tigers a lead at the period while nearly every one hit before the half was over to boost the count to 13.

The third period saw a lot of roughness and subsequent low scoring, the period closing 16-6. The last session was a knockdown, drag out affair with both teams knocking and dragging.

A climax was reached when Red Weston, acting captain and man-of-war forward, pushed John Jenkins to the floor, and a foul was called. Westerville's coach protested and had a technical foul called on him. He walked onto the court but, returned to the bench without doing any damage. The personal foul so ired Coach Jack Landrum that he walked a few steps off his bench, but returned without any red hair in his hands.

**Melson Scores**

Dick Melson led the scorers of both teams with 11 points on three buckets and five free tosses. The rough Westerville points were only split.

The invading reserves walked off with a 21-8 victory.

## LABOR TROUBLE TO FORCE NEW TOURNAMENT SCENE

CLEVELAND, Feb. 28—(UP)—Floyd A. Rowe, Cleveland, a member of the state board of control of the Ohio High School Athletic association, announced here today a meeting of coaches of Class "A" school in the Northeastern district would be held at Akron Sunday to determine the site of the tournaments scheduled for March 5-6-7 and March 12-13-14.

The tournaments were originally scheduled for the Goodyear gymnasium at Akron, but labor trouble at the rubber plant necessitated the closing of the gymnasium.

With no immediate settlement of the strike in sight, H. R. Townsend, commissioner of the High School association, authorized Rowe to take whatever steps he believed necessary to meet the situation.

One proposed plan is to plan the first of two scheduled tournaments at four Akron high school gymnasiums and then take the final meet to the Auditorium at Canton.

A second proposal, which Commissioner Townsend at Columbus expressed as being more feasible, is to shift the Class "B" tournament now scheduled for Kent State university to the Roosevelt high school gymnasium at Kent and play the Class "A" tourney at the University.

Whether the coaches will ballot on these two plans or formulate another will be decided at the Sunday meeting.

## About This And That In Many Sports

### Friley Gets Eligible

To Will Friley of Jack Landrum's varsity cage team should go a lot of credit—Friley was ineligible last Monday, and his name was not on the eligible list sent to Westerville, but he put forth a lot of individual effort during the week, and made good enough grades to get back into the good graces of the principal.

### Chillicothe Schedule

Chillicothe's 1936 football schedule has been announced, and it doesn't include Circleville. Games listed are Ironton, night; Washington C. H., Wilmington, Columbus Holy Rosary (we're picking Rosary right now), Hillsboro, next date open to prepare for Portsmouth, Jackson, Marietta, and Lancaster (Thanksgiving). Chillicothe was willing to play the Tigers but the Red and Black did not care so much for the Ross-co game—Chillicothe loses its 1935 team (Jim Strausbaugh) by graduation—Other games left off were Cincinnati Withrow, Columbus East and Waverly.

### Hopkins Pain in Neck

Coach John Hopkins of Westerville high school behaved like a foul ball Thursday evening when he walked out onto the court to argue with Referee Chick Pearce about a technical foul. The technical was really on Robertson, Westerville sub, who was good enough last year to star against the Tigers, but rides the wood this winter. The cager picked a wrong time to cat call Pearce—Neither Hopkins, nor Francis Schmidt nor Bernie Bierman, nor any other coach could have helped Westerville last night. The open shots the invaders obtained at the net numbered darn few, and at least two of the three buckets caged were from far out, one by Fuller from the middle, and another by Spessard from the side—Henry's goal was from the corner.

### Thornton to Indiana

Marty Thornton, who worked with Chick Pearce last night, left immediately after the game for Fort Wayne, Ind., to referee the northeast Indiana sectional tournament.

### Shorts on Sports

Hal Price Westerville's big four-year-old, Whopper, has been suffering from a gall stone, and may undergo an operation in March.

Steve Hannagan is handling publicity for the projected four-mile big league automobile racing course at Roosevelt field, Mineola, Long Island. The job has been financed for more than \$750,000 by a corporation of which George Marshall, prexy of the Boston Redskins pro football team, is president. Two races of 400 and 500 miles each are planned each year.

### Bees—Apiary—Ha, Ha!

Joe E. Brown will take a ball club to Japan and China next fall. Johnny Whitehead, who looked so promising as a pitcher last spring, will be put through a course of sprouts at the White Sox Pasadena training camp. If he doesn't take off that waistline, Mister Dykes will glare at him. The Boston National league park, where the newly christened Bees play ball, might be called the Apiary, but some of the boys in the back room might not understand.

## "GRUDGE" RACE SOUGHT IN EAST

Baroni's Top Row May Meet Time Supply in Spring

NARRAGANSETT, R. I., Feb. 28—(UP)—A "grudge" race between Top Row and Time Supply, principals of the Santa Anita handicap "incident," may be staged at Narragansett park for a \$25,000 purse during the spring meeting, it was indicated last night.

Invitations have been extended owners of the two horses by Walter O'Hara, Narragansett owner. The distance and weights would be the same as those of the Santa Anita feature and the race would be run after May 2.

O'Hara's invitation was an answer to A. A. Baroni, owner of Top Row. Baroni, taunted by criticism of an alleged foul by his jockey in the \$100,000 race, had offered to race Top Row against Time Supply or any other Santa Anita entry to settle the issue.

Baroni barred his challenge with an offer of side wagers of \$25,000 or \$50,000.

## TOURNEY GAMES TONIGHT DECIDE TWO FINALISTS

Ashville - Muhlenberg, New Holland-Pickaway Scheduled in Semifinals

Teams to participate in the finals of the county tournament, to be played Saturday evening, will be determined tonight when the semi-finals of the boys' tournament take place.

The lineup is:

7, Ashville vs. Muhlenberg.

9, New Holland vs. Pickaway.

Sandwiched in between will be a girls' game with third place at stake, between Ashville and Darby-twp.

It promises to be a big evening with plenty of action. On form Ashville and New Holland should win, but Muhlenberg and Pickaway are both capable of upsetting the dope bucket.

The probable lineups are:

### HOLLYWOOD GAINS FAVOR AS FAVORITE IN DERBY

ST. LOUIS, Feb. 27—(UP)—Hal Price Headley's Hollywood today was quoted as a 6 to 1 favorite to win the Kentucky Derby, in an announcement of winter prices by Charles Burke, St. Louis betting commissioner and successor to the late Tom Kearney.

Hollywood was quoted at 3 to 1 to place and 3 to 2 to show. Other favorites include: Brevity, 8 to 1; Tintagel, Grand Slam, and Coldstream, 10 to 1; Red Reigh, 12 to 1; Maeriel, Memory Book, 15 to 1; Fighter, Split Second, Shark, Bien Joli, 20 to 1.

The longest price quoted was on Judge Kavanagh at 1000 to 1.

## OHIO U. AND OTTERBEIN TAKE BASKETBALL TILTS

COLUMBUS, Feb. 28—(UP)—A sophomore basketball team which reached its peak late in the season scored its seventh Buckeye conference victory at Huntington, W. Va. last night when Ohio University defeated Marshall college 48 to 43.

Beaten twice in their first four conference starts, Ohio U. set a blistering pace in the late part of the campaign and grabbed five out of six decisions. Its only conference loss since mid-January was a 34 to 29 setback by the University of Cincinnati.

The Bobcats rallied in the second half last night to give the West Virginians their ninth defeat in ten conference games.

Mount Union's well balanced team tightened its hold on second place in the Ohio conference when it downed Wooster 51 to 41. Evan Schlitz, Mount Union forward, scored 20 points. Nick Fracella, Wooster's great sophomore, secured 15 points and brought his

## BERG IS SELECTED FOR POSITION ONE OF 8 ON U.S. TEAM

NEW YORK, Feb. 28—(UP)—Eighteen-year-old Patty Berg, freckle-faced Minneapolis high school girl, today had the distinction of being the youngest player—men included—ever named on a golf team representing America in international competition.

The red-haired midwestern girl, who celebrated her birthday last week, was one of eight players selected yesterday by the women's committee of the United States Golf Association for the Curtis cup team which will meet a British team at Glenageary, Scotland, May 6-7.

The team which will seek a third consecutive American triumph in the biennial series begun in 1932 will be captained by Mrs. Edwin H. Vare, the former Glenna Collett, who has been American champion six times and who has been American champion six times and who played on both former Curtis teams.

With the exception of Miss Berg, the team is the same as that which defeated Britain 6½ to 2½ at Chevy Chase, Md., in 1934. Only absentee from that team is Virginia Van Wie of Chicago, who retired a year ago after winning the American championship three times in succession. It was learned that efforts were made to bring her out of retirement but that she refused.

seasonal total to 246 in 13 conference games.

In other games last night Otterbein came from behind in the final minutes of play to defeat Capital 35 to 30; Muskingum toyed with Denison as it won 39 to 18; Findlay defeated Hiram 44 to 30 and Heidelberg bested Ashland 39 to 28.

Tonight's schedule, which is devoid of a feature game, contains four contests. The games find Hiram meeting Bowling Green at Bowling Green; Youngstown engaging St. Thomas at Scranton, Pa.; Penn opposing Grove City at Grove City, Pa., and Rio Grande playing New River State at Rio Grande.

## COLLEGE PREPARES FOR ANNUAL TRACK MEET

BEREA, Feb. 28—(UP)—The first annual Baldwin-Wallace invitational track meet will be held here May 29-30, it was announced today.

Besides Baldwin-Wallace, the University of Toledo, Case and John Carroll, all under suspension from the Ohio conference for early football practice last fall, are included among the early entrants.

## THEATRES

### AT THE CLIFTONA

It is as a young society doctor's wife that Ann Harding comes to the screen of the Cliftona theatre in her current RKO Radio's sophisticated film drama, "The Lady Consents." Herbert Marshall, co-starring with the blonde actress, plays the doctor who is susceptible to the charms of his attractive clients.

Caught in the acute lines of a complicated love triangle, Miss Harding allows her husband to escape into the arms of another woman, sacrificing her love for his happiness.

But when she learns that the other woman, played by Margaret Lindsay, is using her former husband merely to provide money and social position, Miss Harding launches a counter-attack to win him back.

Auditor Report Total Bonded Obligation of Districts is \$758,325.46

Pickaway-co reduced its bonded indebtedness \$37,000 in 1935, and the city \$14,135.25, according to a report completed Friday morning by County Auditor Forrest Short. The county's outstanding indebtedness on Dec. 31, 1934 was \$171,000, the report shows, and at the close of the year \$134,000. The city's debt was \$93,435.25 on the same date and has been reduced to \$79,300.

**Villages Pay Little**  
Villages, having a bonded debt of \$88,000 paid but \$500 during the year. The townships have no bonded indebtedness listed. City schools paid \$6,000 in 1935, reducing their debts to \$54,000. Township and village schools, listed at \$439,168.09, paid \$35,642.63 during the year but an additional \$2,065.46 left the balance at the close of the year at \$405,590.92.

**Balance \$758,325.46**  
The total debts of all divisions were listed at \$851,603.34, on which \$93,277.88 was paid, leaving the total balance this year at \$758,325.46.

## MONEY IS READY FOR OHIO SCHOOL

First Funds Under Foundation Program Prepared

COLUMBUS, Feb. 28.—(UP)—Another phase of the Traxler-Kiefer school foundation law will become operative March 1 when first funds are scheduled to be paid to school districts of the state for maintenance of pupils.

Approximately \$11,000,000 is due to be paid all Ohio public school districts early in March as the first quarter settlement. School districts, however, are not expected to receive the first drafts until about March 6.

It was believed today, however, that the figure would not reach the \$11,000,000 mark because of slack collections in sources from which the school fund is to be derived.

The actual money each school district receives will be determined upon accounts credited to the particular state fund as of Feb. 29. Amounts schools are due to receive and the amount they actually are awarded will be determined on a pro-rata basis should the income not measure up to expectations.

The law was passed to guarantee each school district a specified amount yearly for maintenance of each pupil in attendance.

The law further gives to the director of education the power to combine school districts in such areas as the merger will be for the best interests of economy.

When school districts fail to follow recommendations for consolidation, the areas face possible loss of state support.

## Sawdust and Cuspidor League Nearing Form

Habitues of Court and Main-Sts Practicing for Annual Spring and Summer Derby; Might Aid Pumpkin Show

By FRANKLIN KIBLER

Members of the local Sawdust and Cuspidor League, Unlimited, who have been reduced to putts instead of drives this winter because of the dangers of their profession in stiff arctic breezes, tossed their first gobs of chewin' on the main corner this week and officially opened their spring training.

Based on early indication, the boys will be establishing new marks this summer on distance, patterns and speed. Snow and slush prevented accurate measurements at the preliminary matches but the "speeders" are cutting the distance between pedestrians with amazing accuracy.

Some of the older members have lost front teeth during the severe winter and are confident of new laurels in the March semifinals.

## Clothing to Cleaners

Last year the leaguers received their first publicity when their summer "shoots" sent several articles of wearing apparel of non-members to the dry cleaners and the streets became a little too slippery for some of the older residents.

A small group of leaguers making practice shots at the old interurban rails one evening this week, discovered the best gobs were patterned on a discussion of seed corn condition and politics. The league is open to suggestions from local residence on topics that can be properly "chewed."

Several members, who have read a number of sports magazines during the winter on the increasing popularity of skeet, are working up some station positions and are hitting most anything. Plans may be considered for some type of a moving target if sufficient space can be found in the downtown district. Because of the crowded condition of the square on Saturday night, when the main practice sessions are conducted, the members have been confined largely to repainting the lines of the no-parking spaces.

Add to Annual Show  
How this great local institution has escaped the eyes of the Pumpkin show directors as an interesting departmental exhibit is a puzzle to many local residents. Their favorite chewing could be awarded as prizes and the program would have a novelty feature unique in

## SOCIAL SECURITY NOT TO CHANGE PENSION PAYMENT

Payments of old age pensions by Ohio to the recipients of aid under the Aid for the Aged Law will not be changed by the provisions of the national Social Security Act, according to T. D. Krinn, investigator in charge of the Pickaway-co office in the Johnson building.

"Ohio soon will get Federal funds to aid in the payment of pensions under the provisions of the Social Security Act," Mr. Krinn said. "Some persons have from the state and the other from reading provisions of the national law, providing that the Federal Government will pay half the cost of pensions in the states, that in the future pensioners will each receive two checks each month, one from the state and the other from Washington. Such is not the case. Each pensioner will continue to receive one check each month from Columbus.

"The federal government will furnish its share of the cost of pensions to the state, which must match the federal grant dollar for

dollar. All the money goes into a special state fund, from which the pensions will be paid.

"It will remain the duty of the state division of aid for the aged to fix the amounts of pensions, as in the past, and the method of payment will be unchanged.

Jameaway  
THE OIL HEATED BROODER  
Without an Equal  
Sets New Standards for Brooding Results

Words cannot describe the fine qualities of this Oil Heated Jameaway Brooder; tried, tested and accepted by poultrymen everywhere as "the brooder without an equal." Here is a brooder with the safe, economical, dependable heating qualities of the best coal burning brooder combined with all the conveniences and advantages of oil heat. Jameaway is justly proud of this brooder. It is worthy of all the name and trademark Jameaway stands for in merit and value.

Thousands of these brooders are in use. Owners are delighted. They tell their friends and that endorsement alone has resulted in doubling the sales of this stove each year.

The Jameaway sets the pace because it has everything a good brooder should have... 8 gallon oil tank on sturdy high legs... raised strainer... automotive type filter... oil pipe clean-out... overflow pipe... thermostat assembly of the cast and machined parts... air intake regulator... draft equalizer... roof pipe vent-lator... cast iron base, burner, lid and pipe collar... radiator type heat drum... galvanized hower and many other features that make it the ideal brooder and outstanding buy of the season.

We are authorized Jameaway Dealers and welcome the opportunity of demonstrating this stove to you. We also carry a complete line of Jameaway chick and mature flock equipment.
